Chair, Graduate Medical Education Committee

SUBJECT: RESIDENT ELIGIBILITY / U.S. AND IMG'S

I. POLICY

It is the policy of North Carolina Baptist Hospitals, Inc. that all resident applicants to this institution's residency programs receive the same opportunity for acceptance provided they meet all of the program, as well as, state licensure requirements. North Carolina Baptist Hospital is an "Equal Opportunity Employer".

II. PURPOSE

To provide guidelines for the eligibility of resident applicants.

III. PROCEDURE

Applicants with one of the following qualifications are eligible for appointment to residency programs at North Carolina Baptist Hospital:

1. Graduate of a medical school in the United States or Canada accredited by the Liaison Committee on Medical Education (LCME);

2. Graduate of a college of osteopathic medicine in the United State accredited by the American Osteopathic Association (AOA):

3. A graduate of a dental school (for Dental only) in the United States or Canada accredited by the American Dental Association (ADA);

4. Graduate of a medical school outside the United States and Canada who has received a currently valid certificate from the Educational Commission for Foreign Medical Graduates or has a full and unrestricted license to practice medicine in a US licensing jurisdiction.

5. Graduate from a medical school outside the United States who has completed a Fifth Pathway Program provided by an LCME accredited medical school.
