Western North Carolina Chapter of the Society for Neuroscience

TO: All Faculty, Staff, Graduate Students, Postdoctoral Fellows, Residents

FROM: Thomas J. Perrault Jr., PhD; Secretary/Treasurer, WNCSN

DATE: August 30, 2010

SUBJECT: Membership in the Western NC Chapter of the Society for Neuroscience

The Western North Carolina Chapter of the Society for Neuroscience (WNCSN) is an award winning division of the Society for Neuroscience dedicated to promoting education in the Neurosciences, and encouraging interaction among Neuroscience professionals within our research community. The WNCSN sponsors numerous events throughout the academic year including a seminar series featuring prominent Neuroscientists with a wide range of appeal to those in both academic and clinical settings, multiple diverse Brain Awareness activities in the community and a fall forum in which graduate students and postdoctoral fellows informally present their current research, and the Mary A. Bell awards are presented for outstanding posters. The Chapter's activities have recently been recognized by the Society of Neuroscience by being named the SFN's Chapter of the Year for 2009-2010. We invite you to view past activities on the web site (www.wfubmc.edu/sfn).

We are currently inviting all faculty, staff, graduate students, postdoctoral fellows, and residents with interest in the Neurosciences to join the Chapter. If you would like to become a member, please fill out the information below and send this letter along with your yearly dues by Friday, September 17, to Jody Dedo, Neuroscience Program Office, Wake Forest University School of Medicine, Medical Center Blvd., Winston-Salem, NC 27157.
