New Protocol Information Request Form

Investigator: _____
Contact Person: _____
Department: _____
Institution: _____
Address: _____
Phone: _____
Date: ___/___/___
Title of Project: _____

Questions: (Fill in or circle choice)

1) Species: _____
A) Human B) Rat C) Mouse D) Monkey E) Dog F) other _____

2) Type of Assays requested: _____

3) Specimen type: _____
A) Plasma B) Serum C) Urine D) Tissue E) Other _____

4) When will samples be sent? ___/___/___

5) When are the results needed? ___/___/___

*Assays will be done dependent upon laboratory priorities. Routine turn-around of results is 8-10 weeks; however, turn-around time will vary depending on the number of samples submitted.

6) When are assays to be done?

A) As they are received

B) Grouped and not done until advised by investigator.

Provide grouping scheme in the sample list information

7) To receive results electronically, provide email address

8) What is the approximate number of samples/tests that is to be done?

9) Test requirements:

A) Duplicates B) Single test (due to limitation of sample volume).

10) For intramural projects, provide grant or account number

For extramural projects, provide address where bill should be sent.

**Fee for service charges will be quoted at the time of request. However, they are subject to change depending on the cost of kit, supplies, and personnel.*

11) For extramural projects a Material Transfer Agreement will be required. Provide this information so that the Material Transfer Agreement can be filled.

**An indirect cost will be added to the fee for service for extramural investigators.*

Provider Scientist:

Organization/Institution:

Address:

Contract Contact Name: _____ Email: _____

Phone: _____ Fax: _____

Signature of investigator _____

Note: If assays kits are ordered at the request of an investigator and the investigator then withdraws the request for assays to be done, the investigators will be responsible for the cost of the kits. Cost for sample analysis is dependent on cost of kits, chemicals, and personnel.
