FROM: Terrence Stanford PhD; Secretary/Treasurer, WNCSfN DATE: 2014 SUBJECT: Membership in the Western NC Chapter of the Society for Neuroscience The Western North Carolina Chapter of the Society for Neuroscience (WNCSfN) is an award winning division of the Society for Neuroscience dedicated to promoting education in the Neurosciences, and encouraging interaction among Neuroscience professionals within our research community. The WNCSfN sponsors numerous events throughout the academic year including a seminar series featuring prominent Neuroscientists with a wide range of appeal to those in both academic and clinical settings, multiple diverse Brain Awareness activities in the community, and a fall forum in which graduate students and postdoctoral fellows informally present their current research, and the Mary A. Bell awards are presented for outstanding posters. We invite you to view past activities on the website www.wfubmc.edu/sfn. We are currently inviting all faculty, staff, graduate students, postdoctoral fellows, and residents with interest in the Neurosciences to join the Chapter. If you would like to become a member, please fill out the information below and send this form along with your dues payment to Tina Payne, Neuroscience Program Office, Wake Forest School of Medicine, Medical Center Blvd., Winston-Salem, NC 27157.
