

2016 WFIRM Summer Scholars

Summer Scholar	Primary Faculty Mentor(s)
Abigail Braun DePauw University Kinesiology, Junior	Shay Soker, PhD, Professor
Andrew Chen City College of New York Biomedical Engineering, Junior	Anthony Atala, MD, Professor and Director of WFIRM and John Jackson, PhD, Associate Professor
Casey Clark Virginia Tech Materials Science & Engineering, Nanoscience, Junior	Shay Soker, PhD, Professor
Mark Daley Bucknell University Biomedical Engineering, Junior	Sang Jin Lee, PhD, Associate Professor
Meghan Davis Loyola University, Chicago Biology-molecular emphasis, Junior	Baisong Lu, PhD, Assistant Professor
Thomas Fair Winston Salem State University Exercise Physiology, Sophomore	Tracy Criswell, PhD, Assistant Professor
Brett Gao Washington University at St. Louis	Anthony Atala, MD, Professor, Director of WFIRM James Yoo, MD, PhD, Professor, Associate Director, CSO and Sang Jin Lee, Associate Professor
Alicia Lee Rutgers University, New Brunswick Biomedical Engineering, Senior	Anthony Atala, MD, Professor, Director of WFIRM James Yoo, MD, PhD, Professor, Associate Director, CSO and In Kap Ko, PhD, Assistant Professor
Ryan Leung Tufts University Biomedical Engineering, Senior	James Yoo, MD, PhD, Professor, Associate Director, CSO and John Jackson, PhD, Associate Professor
Katherine McMurray Tufts University Chemical Engineering, Junior	Aleks Skardal, PhD, Assistant Professor
Arbaz Momin Mercer University, Macon Biochemistry & Molecular Biology, Junior	Steve J. Walker, PhD, Associate Professor
Christian Caleb Morrill Utah State University Biological Engineering & Biochemistry, Senior	Steve J. Walker, PhD, Associate Professor and Guiseppe Orlando, MD, PHA, Assistant Professor, Surgical Sciences-Transplant

<p>D’Niqua Murphy Winston Salem State University Exercise Physiology, Junior</p>	<p>Emmanuel Opara, PhD, Professor</p>
<p>Adam Navara Texas A & M, College Station Biomedical Engineering, Junior</p>	<p>Colin Bishop, PhD, Professor</p>
<p>David Pederson UNC at Pembroke Biology, Junior</p>	<p>Anthony Atala, MS, Professor, Director of WFIRM and Hooman Sardi-Ardekani, MD, PhD, Director of Male Fertility Research Program WFIRM</p>
<p>Elizabeth Petran Iowa State University Kinesiology & Health, Senior</p>	<p>Khalil Bitar, PhD, Professor</p>
<p>Martin Rodriguez Romero Marquette University Biomedical Engineering, Junior</p>	<p>John Jackson, PhD, Associate Professor</p>
<p>Taylor Rothermel Clemson University Bioengineering, Junior</p>	<p>Sang Jin Lee, PhD, Associate Professor</p>
