Self Transportation

Winston-Salem downtown area is a walking friendly town; however, many students may prefer to have access to their own transportation. Parking is provided to summer students at WFIRM and at each of the housing properties suggested. Nearly every summer, WFIRM summer students frequently ride share.

Ride-Share and Roommate Assistance:

Upon successful selection and acceptance into the 2017 program, all WFIRM summer scholars and Visiting International Scholars will be invited to sign-up for assistance in finding a potential roommate amongst the group of scholars. Participating scholars will also be invited to sign-up for ride-share. Each year, typically half of the cohort of 16-20 summer scholars bring their own transportation -- with many carpooling each day to WFIRM.
