

Annual Alumni Reception
 Sunday, October 22, 2017
 6:00 to 8:00 pm
 Westin Copley Place
 Staffordshire Room
 (3rd floor)

Westin Copley Place
 10 Huntington Avenue
 Boston, MA

The Ether Dome at the Bulfinch Building at Massachusetts General Hospital. The Dome viewed from inside the surgical theatre that was the site of the first public demonstration of the use of inhaled ether as a surgical anesthetic on October 16, 1846.

B. Scott Segal, MD, MHCM
 Professor and Chair
 Department of Anesthesiology
 Wake Forest School of Medicine
 bsegal@wakehealth.edu
 336-716-4497

Class of 2017-18 Senior Residents

- Dylan Addis
- Saskia Anzola
- Kristen Beaver
- Erica Bohan
- Kent Cochran
- Ashley Donaldson
- Jacob Flury
- Nick Houska
- Zackary McKee
- David McKinley
- Laura Pippitt
- Christina Tolomeo
- Joseph Walch
- Emily Williamson

The Ether monument commemorates the use of ether in anesthesia. The oldest monument in the Public Garden, the statue/fountain is located near the intersection of Marlborough and Arlington Streets in the NW corner of the Garden.

**at the
ASA**

A Guide to the Faculty, Fellows, and Residents of the Department of Anesthesiology participating in

ANESTHESIOLOGY® 2017

The Annual Meeting of the American Society of Anesthesiologists

**October 21-25, 2017
Boston, MA**

Saturday, October 21

Poster Presentation - Exhibit Hall B2/Area A

11:00-11:30 am The development of a quick reference study guide used for teaching medical students the basic anatomic principles in performing regional anesthetic nerve blocks, A1041
Kathleen N. Johnson (Yvon F. Bryan, mentor)

Medically Challenging Case - Exhibit Hall B2

11:30-11:40 am Accessory mitral valve tissue on TEE during aortic root replacement, MC1034
Kevin J. Neal, MD (Blake Moore, mentor)

120-Minute Panel - Rm 109AB

1:10-3:10 pm A Guided Walk Through Cases in Obstetric Anesthesiology: Clinical Conundrums We Encounter Daily
B. Scott Segal, MD, MHCM, Panelist

MUCA Hands-On Workshop - Room 254AB

1:30-4:30 pm Awake Fiberoptic Intubation: A Streamlined Approach to Nerve Blocks
Scott A. Miller, MD, Moderator
Sarah Jane Bost, MD, Faculty
Randy W. Calicott, MD, Faculty
Chad D. Courtemanche, MD, Faculty
John E. Reynolds, MD, Faculty
Andrea J. Strathman, MD, Faculty
Justin R. Traunero, MD, Faculty

Special Event - FAER New Investigators Panel - Rm 206AB

2:00-4:00 pm New Leaders of Anesthesia Research: Results of FAER-sponsored Research
James C. Eisenach, MD, Lead Speaker
Meredith C. Adams, MD, Speaker

Poster Presentations - Exhibit Hall B2/Area B

3:30-5:30 pm Improving Outcomes Associated with Cesarean Delivery: Pain, Hypertension, and Opioid-related Side Effects
Vernon Ross, MD, Abstract Moderator

Medically Challenging Cases - Exhibit Hall B2

4:10-4:20 pm Difficult intubation due to undiagnosed tracheal A-frame deformity in a morbidly obese patient, MC1505
Rohesh J. Fernando, MD

(Monitor 18) Face it on Facetime™: Using a smart phone videotelephone to enhance the safety of complex regional blocks in high risk patients in a small rural hospital, MC1637
Yvon F. Bryan, MD

Sunday, October 22

Special Event - SOAP/FAER Gertie Marx Plenary Lecture - Ballroom East

7:45-8:45 am Links to Improving Anesthesia Outcomes
Robert D'Angelo, MD, Lead Speaker

60-Minute Panel - Rm 107ABC

8:00-9:00 am Do Infants Need Less Anesthesia?
Douglas G. Ririe, MD, PhD, Panelist

60-Minute Refresher Course Lecture - Rm 205ABC

11:00 am-Noon State of the Art Labor Analgesia
Kenneth E. Nelson, MD, Moderator

Medically Challenging Case - Exhibit Hall B2

11:00-11:10 am The use of flexible fiberoptic bronchoscopy for nasal intubation in a patient with severe angioedema of the oral cavity in the emergency room: Neither conventional laryngoscopy by ED nor tracheostomy by ENT but FFB by anesthesiology, MC2043
Kathleen N. Johnson (Yvon F. Bryan, mentor)

Poster Presentation - Exhibit Hall B2/Area C

1:00-1:30 pm Process change and anesthesia resident education improve obstetric anesthesia care in a Serbian obstetric hospital, A2152
Medge D. Owen, MD (coauthor)

120-Minute Panel - Rm 102AB

1:10-3:10 pm Hand Hygiene, OR Attire, OR Traffic: What Is the Data and Can We Make a Difference?
B. Scott Segal, MD, MHCM (Moderator)

Medically Challenging Cases - Exhibit Hall B2

1:50-2:00 pm Emergency transcatheter aortic valve replacement, MC2234
Aqeel Kamal, DO (Chandrika Garner, mentor)

2:10-2:20 pm Epidural anesthesia for vaginal delivery in a parturient with Fontan repair and preeclampsia with severe features, MC2368
Sarah M. Von Thaeer, MD (Eduardo Goenaga-Díaz, mentor)

Sunday, October 22 (continued)

Poster Presentation - Exhibit Hall B2/Area D

3:30-4:00 pm A prospective observational study evaluating the prevalence of extubation criteria in young children, A2276
Joseph D. Walch, MD, PhD, (T. Wesley Templeton, mentor)

Medically Challenging Case - Exhibit Hall B2

4:20-4:30 pm Pain manifestations of Ehler's Danlos syndrome, MC2593
Ashley R. Donaldson, MD (James North, mentor)

Monday, October 23

Medically Challenging Case - Exhibit Hall B2

1:15-3:15 pm Carrie Johnson, MD, Facilitator
MCC07

Poster Presentation - Exhibit Hall B2/Area A

2:00-2:30 pm The development of a template for teaching regional anesthesia nerve blocks and research to clinical research assistants, A3062
Douglas H. McLaughlin (Yvon Bryan, mentor)

Poster Presentation - Exhibit Hall B2/Area C

3:45-5:45 pm Perioperative Medicine
Angela F. Edwards, MD, Abstract Moderator

Medically Challenging Case - Exhibit Hall B2

4:00-4:10 pm Anesthetic management of emerging surgical technique of irreversible electroporation, MC3289
Joshua Pan, MD (Scott Miller, mentor)

Tuesday, October 24

Hands-On Workshop - Rm 162AB

A 8:00-9:15 am Flexible Fiberoptic Endoscopy for Lung Isolation, 843A/B/C/D/E
B 9:30-10:45 am
C 1:00-2:15 pm Jerry R. Clark, MD, FASE, Faculty
D 2:30-3:45 pm
E 4:00-5:15 pm

Poster Presentations - Exhibit Hall B2/Area B

1:00-3:00 pm Perioperative Medicine
Angela F. Edwards, MD, Abstract Moderator

120-Minute Panel - Rm 258ABC

1:00-3:00 pm The Evolving Practice of Pain Medicine: From Volume to Value
Robert W. Hurley, MD, PhD (Moderator)

Tuesday, October 24 (continued)

120-Minute Refresher Course Lecture - Rm 104ABC

2:10-4:10 pm Preoperative Evaluation in the 21st Century: Organizing and Managing the Preoperative Process
Angela F. Edwards, MD

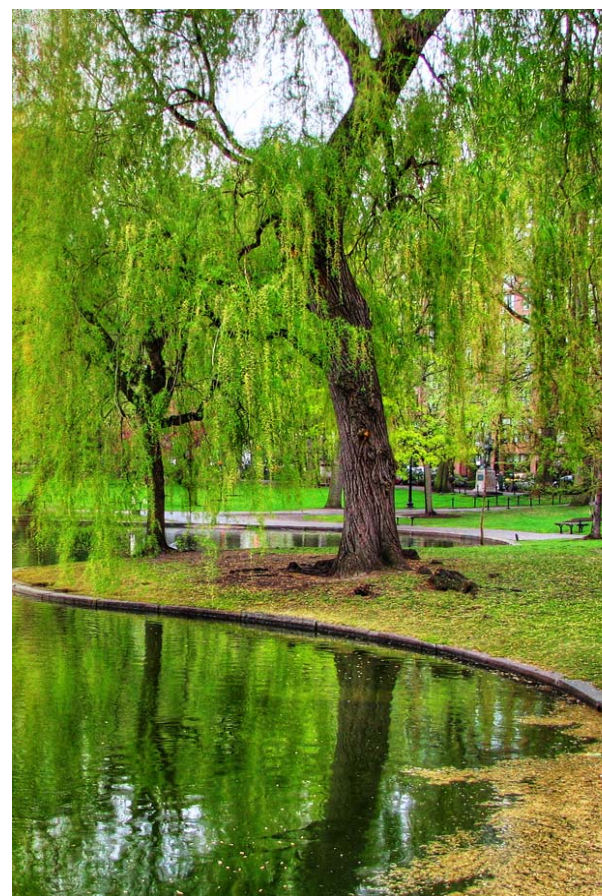

Wednesday, October 25

Oral Presentation - Rm 51

7:30-9:00 am Incisional surgery at a critical period of development reduces impulse control in adult rats, A5012
Douglas G. Ririe, MD, PhD

60-Minute Panel - Rm 102AB

10:15-11:15 am When BMI is Triple to Age on Labor and Delivery
Robert D'Angelo, MD, Moderator

Boston Public Garden (est. 1837) is the first public botanical garden in America. The Garden is adjacent to the Common.
