

# MOLECULAR MEDICINE & TRANSLATIONAL SCIENCE GRADUATE PROGRAM FULL FACULTY

| <u>NAME</u>                           | <u>DEPARTMENT</u>   |
|---------------------------------------|---|
| 1. Alexander-Miller, Martha, Ph.D.    | Microbiology & Immunology                                       |
| 2. Almeida-Porada, Graca, M.D., Ph.D. | Institute for Regenerative Medicine                             |
| 3. Antinozzi, Peter, Ph.D.            | Biochemistry  |
| 4. Appt, Susan, Ph.D.                 | Pathology (Comparative Medicine)                                |
| 5. Atala, Anthony, M.D.               | Surgical Sciences (Urology)/Institute for Regenerative Medicine |
| 6. Bischoff, Werner, M.D., Ph.D.      | Internal Medicine-Infectious Diseases                           |
| 7. Bishop, Colin, Ph.D.               | Institute for Regenerative Medicine                             |
| 8. Bitar, Khalil, Ph.D.               | Institute for Regenerative Medicine                             |
| 9. Bowden, Donald W., Ph.D.           | Biochemistry / Internal Medicine-Endocrinology & Metabolism     |
| 10. Brosnihan, K. Bridget, Ph.D.      | Hypertension Center (Surgical Sciences-General)                 |
| 11. Caudell, David, D.V.M., Ph.D.     | Pathology (Comparative Medicine)                                |
| 12. Chappell, Mark, Ph.D.             | Hypertension Center (Surgical Sciences-General)                 |
| 13. Cheng, Che-ping, M.D., Ph.D.      | Internal Medicine- Cardiology                                   |
| 14. Chilton, Ski, Ph.D.               | Physiology & Pharmacology                                       |
| 15. Cline, J. Mark, DVM, Ph.D, DACVP  | Pathology (Comparative Medicine)                                |
| 16. Criswell, Tracy, Ph.D.            | Institute for Regenerative Medicine                             |
| 17. Cui, Zheng, Ph.D.                 | Pathology (Tumor Biology)                                       |
| 18. Daniel, Larry, Ph.D.              | Biochemistry  |
| 19. Debinski, Waldemar, M.D., Ph.D.   | Surgical Sciences (Neurosurgery)                                |
| 20. Delbono, Osvaldo, M.D., Ph.D.     | Internal Med-Gerontology  |
| 21. Eisenach, James, M.D.             | Anesthesia (Obstetric)  |
| 22. Feldman, Steven R., M.D., PhD     | Dermatology   |
| 23. Ferguson, Cristin, M.D.           | Surgical Sciences (Orthopaedic Surgery)                         |
| 24. Ferrario, Carlos, M.D.            | Surgical Sciences (General)                                     |
| 25. Files, Daniel Clark, M.D.         | Internal Medicine- Pulmonary                                    |
| 26. Freedman, Barry, M.D.             | Nephrology  |
| 27. Furdui, Cristina, Ph.D.           | Internal Medicine-Molecular Medicine                            |
| 28. Geary, Randolph, M.D.             | Surgical Sciences - Vascular                                    |

| <u>NAME</u>                         | <u>DEPARTMENT</u>  |

| 29. Gmeiner, William, Ph.D.         | Cancer Biology   |
| 30. Godwin, Dwayne, Ph.D.           | Neurobiology & Anatomy                                     |
| 31. Grayson, Jason, Ph.D.           | Microbiology and Immunology                                |
| 32. Groban, Leanne, M.D.            | Anesthesiology   |
| 33. Gwathmey-Williams, TanYa, Ph.D. | Hypertension & Vascular Research Center                    |
| 34. Hairston, Kristen G., M.D.      | Internal Medicine-Endocrinology and Metabolism             |
| 35. Hoth, J. Jason, M.D., Ph.D.     | Surgical Sciences - (General)                              |
| 36. Howard, Timothy D., Ph.D.       | Center for Genomics and Personalized Medicine (Pediatrics) |
| 37. Howlett, Allyn C., Ph.D.        | Physiology and Pharmacology                                |
| 38. Kavanagh, Kylie, V.M.S.         | Pathology (Comparative Medicine)                           |
| 39. Kerr, Bethany, Ph.D.            | Cancer Biology   |
| 40. Kim-Shapiro, Danny, Ph.D.       | Physics  |
| 41. King, S. Bruce, Ph.D.           | Chemistry  |
| 42. Kock, Nancy, D.V.M., Ph.D.      | Pathology (Comparative Medicine)                           |
| 43. Kulik, George, D.V.M., Ph.D.    | Cancer Biology   |
| 44. Lee, Sang Jin, Ph.D.            | Institute for Regenerative Medicine                        |
| 45. Levi, Nicole, Ph.D.             | Plastic & Reconstructive Surgery                           |
| 46. Liu, Tiefu, M.D., Ph.D.         | Internal Medicine-Molecular Medicine                       |
| 47. Lu, Baisong, Ph.D.              | Institute for Regenerative Medicine                        |
| 48. Macosko, Jed, Ph.D.             | Physics  |
| 49. McCall, Charles E., M.D.        | Internal Medicine-Molecular Medicine                       |
| 50. McClain, Donald A., M.D., PhD.  | Internal Medicine-Endocrinology & Metabolism               |
| 51. McNally, Lacey, Ph.D.           | Cancer Biology   |
| 52. Molina, Anthony, Ph.D.          | Internal Medicine-Gerontology/Geriatrics                   |
| 53. Murphy, Sean, Ph.D.             | Institute for Regenerative Medicine                        |
| 54. Nicklas, Barbara, Ph.D.         | Internal Medicine-Gerontology/Geriatrics                   |
| 55. Opara, Emmanuel C., Ph.D.       | Institute for Regenerative Medicine                        |
| 56. Parks, John, Ph.D.              | Internal Medicine-Molecular Medicine                       |
| 57. Pasche, Boris, Ph.D.            | Cancer Biology   |
| 58. Petrovic, Snezana, M.D., Ph.D.  | Physiology & Pharmacology/Internal Med-Nephrology          |
| 59. Poole, Leslie, Ph.D.            | Biochemistry   |
| 60. Porada, Christopher, Ph.D.      | Institute for Regenerative Medicine                        |
