

Women Faculty
Promotions, Tenure
and Achievements
2014-2015

June 2015

As Director of the Leadership and Mentoring Program for the Office of Women in Medicine and Science (OWIMS), I want to congratulate the women faculty listed within this booklet for their recent achievement(s).

The School of Medicine Achievement Social began eleven years ago. For five years the Achievement Social was a cross-campus event for women faculty at Wake Forest University. The cross-campus event was co-sponsored by OWIMS and the WFU Women's Forum.

Please join me in celebrating the recent promotions, honors, awards, and outstanding achievements of the WFSM women faculty members.

Sonia J. Crandall, Ph.D., M.S.
Leadership and Mentoring Program Director
Office of Women in Medicine and Science

2014-2015 Women Faculty Promotions & Tenure

Instructor to Assistant Professor

Tracy Criswell, PhD, Wake Forest Institute for Regenerative Medicine
Jill Grant, PA-C, Physician Assistant Studies
Paige Greason, PhD, Psychiatry & Behavioral Medicine
M. Jane McDaniel, BSMT, Physician Assistant Studies
Masiku Mdala-Gausi, MBChB, Internal Medicine, Hospital Medicine
A. Leslie Vaughan, PhD, Public Health Sciences-Social Sciences & Health Policy
Xuewei Zhu, PhD, Internal Medicine-Molecular Medicine

Assistant Professor to Associate Professor

Laurie Wong Albertini, MD, Pediatrics
Susan Appt, DVM, Pathology, Comparative Medicine – with Tenure
Susan Burden, MD, Ophthalmology
Nancy Denizard-Thompson, MD, Internal Medicine, General Internal Medicine
Purnima Dubey, PhD, Pathology, Tumor Biology
Suzanne Edmunds, MD, Anesthesiology
Angela Edwards, MD, Anesthesiology
Cynthia Emory, MD, Orthopaedic Surgery
Kirsten Feiereisel, MD, Internal Medicine, General Internal Medicine
Andrea Fernandez, MD, Obstetrics & Gynecology
Carol Geer, MD, Radiology
Karen Gerancher, MD, Obstetrics & Gynecology
Annette Grefe, MD, Neurology
Kristen Hairston, MD, Internal Medicine, Endocrinology & Metabolism
Amret Hawfield, MD, Internal Medicine, Nephrology
Amy Hildreth, MD, FACS, Surgery
Marissa Howard-McNatt, MD, General Surgery
Jennifer Jackson, MD, Pediatrics
Leslie Kammire, MD, Obstetrics & Gynecology
Melissa Laxton, MD, Anesthesiology
Vera Luther, MD, Internal Medicine, Infectious Diseases
Allison McBride, MD, Pediatrics
Heather Mertz, MD, Obstetrics & Gynecology
Linda Metheny-Barlow, PhD, Radiation Oncology
Mariana Murea, MD, Internal Medicine, Nephrology
Changlee Pang, MD, Pathology
Rita Pichardo-Geisinger, MD, Dermatology
Suzanne Reich, PA-C, MPAS, Physician Assistant Studies
Erin Sutfin, PhD, Public Health Sciences, Social Sciences & Health Policy – with Tenure
Anita Thomas, MD, Radiology, Nuclear Medicine
Ashley Tonidandel, MD, MS, Anesthesiology
Kathryn Weaver, PhD, Public Health Sciences, Social Sciences & Health Policy – with Tenure
Zhu-ming Zhang, MD, MPH, Public Health Sciences, Epidemiology & Prevention

Associate Professor to Professor

Laura Bachmann, MD, MPH, Internal Medicine, Infectious Diseases
Gretchen Brenes, PhD, Psychiatry & Behavioral Medicine
Cheryl Bushnell, MD, MHS, Neurology
Mary Claire O'Brien, MD, Emergency Medicine
Martha Alexander-Miller, PhD, Microbiology & Immunology
Patricia Gallagher, PhD, General Surgery, Hypertension & Vascular Research Center
Yongmei Liu, MD, PhD, Public Health Sciences, Epidemiology & Prevention
Katherine Poehling, MD, MPH, Pediatrics

Tenure

Haiying Chen, PhD, Public Health Sciences, Biostatistical Sciences
Leanne Groban, MD, Anesthesiology

Other Promotions and Appointments

Martha Alexander Miller, PhD, Microbiology & Immunology, appointed Department Chair
Laura Bachmann, MD, MPH, Internal Medicine, Section of Infectious Disease appointed Medical Director for Guilford County Department of Health and Human Services, Public Health Division
Christina Bellinger, MD, Internal Medicine, Pulmonary, Critical Care, Allergy and Immunological Medicine, appointed Director of the WFBMC Lung Screening Program
Cynthia Emory, MD, Orthopaedic Surgery, appointed Vice Chair
Annette Johnson, MD, Radiology, appointed Executive Vice Chair of Clinical Operations in Radiology
Mary Claire O'Brien, MD, Emergency Medicine, appointed Associate Dean of Medical Education
Katherine Poehling, MD, MPH, Pediatrics, promoted to Section Head of General Pediatrics and Adolescent Medicine
Kaycee Sink, MD, Internal Medicine, Gerontology & Geriatric Medicine, appointed Interim Section Chief
Kathryn Weaver, PhD, MPH, Public Health Sciences, Department of Social Sciences & Health Policy, appointed Associate Director, Cancer Prevention and Control Program of the Comprehensive Cancer Center of Wake Forest University
Stacey Quintero Wolfe, MD, FAANS, Neurosurgery and Interventional Radiology appointed Program Director for the WFUSOM Department of Neurological Surgeons

Graduates of OWIMS Training Programs 2013-2014

OWIMS Career Development for Women Leaders Training Program Graduates 2013-2014

Graça Almeida-Porada, MD, PhD, Wake Forest Institute for Regenerative Medicine
Susan Appt, DVM, Pathology, Comparative Medicine
Andora Bass, MD, Anesthesiology & Pediatrics
Tracey Coan, JD, WFU School of Law
Gail Curtis, MPAs, PA-C, Physician Assistant Studies
Marcie Drury-Brown, MD, Pediatrics
Andrea Fernandez, MD, Obstetrics & Gynecology
Capri Foy, PhD, MS, Public Health Sciences, Social Sciences & Health Policy
Nicole Hall, WFU School of Business
Karen Huey, Facilities
Sarah Jeong, MLIS, Z. Smith Reynolds Library
Linda Metheny-Barlow, PhD, MS, Radiation Oncology
Anna Miller, MD, Orthopaedic Surgery
Emily Pharr, MD, MS, Neurology
Mercedes Porosnicu, MD, Internal Medicine, Hematology & Oncology
Aarti Sarwal, MBBS, Neurology
Beverly Snively, PhD, Public Health Sciences, Biostatistical Sciences

OWIMS Early Career Development Program for Women Training Program Graduates 2014

Angela Alistar, MD, Internal Medicine, Hematology & Oncology
Nicholette Allred, PhD, Biochemistry
Vanessa Baute, MD, Neurology
Melanie Caserta, MD, Radiology
Ashton Chen, DO, Pediatrics
Sabina Gesell, PhD, Public Health Sciences, Social Sciences & Health Policy
Jill Grant, MMS, PA-C, Physician Assistant Studies
Kavya Mekala, MD, Internal Medicine, Endocrinology & Metabolism
Ashley Tonidandel, MD, Anesthesiology
Kathryn Weaver, PhD, Public Health Sciences, Social Sciences & Health Policy
Rebecca Wells, MD, MPH, Neurology
Liliya Yamaleyeva, MD, MS, Surgery, Hypertension & Vascular Research Center
Xuewie Zhu, PhD, Internal Medicine, Molecular Medicine
Ke Zhang, MS, PhD, WFU Biology

Graduates of OWIMS Training Programs 2014-2015

OWIMS Career Development for Women Leaders Training Program Graduates 2014-2015

Evelyn Anthony, MD, Radiology
Cynthia Burns, MD, Internal Medicine, Endocrinology & Metabolism
Sharon Castellino, MD, MSc, Pediatrics
Joanne Clinch, MD, WFU Student Health Services
Patricia Dos Santos, PhD, WFU Chemistry
Anne Fletcher, PhD, UNCG Human Development & Family Studies
Carol Geer, MD, Radiology
Laura Graham, JD, WFU School of Law
Wendy Harper, MBA, WFU Financial & Accounting Services
Amy Hildreth, MD, FACS, Surgery
Rima Jarrah, MD, Anesthesiology
Kylie Kavanagh, VMS, MS, MPH, Pathology, Comparative Medicine
Sandhya Kumar, MD, FAASM, Neurology
Nadja Lesko, MD, Radiology
Monique O'Connell, PhD, WFU History
Rita Pichardo-Geisinger, MD, Dermatology
Barbara Pisani, DO, Internal Medicine, Cardiology
Myriam Sollman, PhD, HSP-P, Neurology
Maha Torabi, MD, Radiology
Kimberly Wieters, BBA, WFU Office of the Dean of the College
Stacey Wolfe, MD, FAANS, Neurological Surgery
Tanya Zanish-Belcher, MA, Z. Smith Reynolds Library

OWIMS Early Career Development Program for Women Training Program Graduates 2015

Rita Bakhru, MD, MS, Internal Medicine, Pulmonary, Critical Care, Allergy & Immunology
Katharine Batt, MD, Internal Medicine, Hematology and Oncology
Kristen Beavers, PhD, MD, WFU Health & Exercise Sciences
Jessica Booth, MD, Anesthesiology
Tracy Criswell, PhD, Wake Forest Institute for Regenerative Medicine
Caron Dover, MD, Radiology
Kathryn Kasicky, MD, Internal Medicine, Hospital Medicine
Sarah Maloney, MS, MPAS, PA-C, Physician Assistant Program
Candice McNeil, MD, MPH, Internal Medicine, Infectious Diseases
Heidi Munger-Clary, MD, MPH, Neurology
Kacy Ramirez, MD, Pediatrics
Ziyan Salih, MD, Pathology
Katherine Schafer, MD, Internal Medicine, Infectious Diseases
Amy Singleton, MD, Psychiatry & Behavioral Medicine
Emma Thacker, PhD, WFU Education
A. Leslie Vaughan, PhD, Public Health Sciences, Social Sciences & Health Policy
Ashley Weaver, PhD, Biomedical Engineering
Kristen Zeller, MD, FACS, FAAP, Surgery

Women Faculty Achievements 2014-2015

Martha Alexander-Miller, PhD, Department of Microbiology & Immunology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Vaccination Strategies to Overcome Immune Deficiencies in Neonates*, funded by the National Institute of Allergy and Infectious Diseases
 - *Training Program in Immunology & Pathogenesis*, funded by the National Institutes of Health

Angela Alistar, MD, Department of Internal Medicine, Section on Hematology & Oncology

- Principal Investigator on Projects Funded in FY2013-2014
 - *Phase II Single Arm Study of Everolimus and Pasireotide (SOM230) in Patients with Advanced or Metastatic Hepatocellular Carcinoma (HCC)*, funded by the University of North Carolina
 - *CCCWFU 57213 - A Phase III Study of FOLFIRINOX With or Without HyperAcute-Pancreas (algenpantucel-L) Immunotherapy in Subjects with Borderline Resectable or Locally Advanced Unresectable Pancreatic Cancer (NewLink Genetics Protocol 0505)*, funded by the NewLink Genetics Corporation

Nicholette Allred, PhD, Department of Biochemistry:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Genetic Architecture of Obesity and Inflammation in Hispanic Americans*, funded by the National Institute of Diabetes and Digestive and Kidney Diseases

Graça Almeida-Porada, MD, PhD, Wake Forest Institute for Regenerative Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Platelet Derived FVIII Gene Therapy of Hemophilia A*, funded by a contract from the Medical College of Wisconsin, Inc.
 - *Cord Blood Expansion Inside a Bioengineered Liver*, funded by the National Institutes of Health

Elizabeth Arnold, PhD, Department of Psychiatry & Behavioral Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Outreach and Case Management for Homeless Adults in Forsyth County, NC*, funded by CenterPoint Human Services
 - *Integrating Process & Structure in Borderline Personality Disorder*, funded by a WFU-Federal Contract

Nancy Avis, PhD, Division of Public Health Sciences, Department of Social Sciences & Health Policy:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Non-Specific Effects of Acupuncture in the Treatment of Hot Flashes*, funded by the National Institute of Health
 - *Postdoctoral Training in Cancer Control Research*, funded by the National Cancer Institute

Laura Bachmann, MD, MPH, Department of Internal Medicine, Section of Infectious Disease:

- Elected to a Professional Society Officer Position
 - Executive Committee for the American Sexually Transmitted Disease Association (ASTDA)
- Served on a National Panel or Task Force
 - Member of the CDC STD Treatment Guidelines Working Group
- Principal Investigator on Projects Funded in FY2013-2014
 - *Sexually Transmitted Diseases/Human Immunodeficiency Virus Prevention Training Center Part*, funded by a subcontract from the University of Alabama, Birmingham
 - *Sexually Transmitted Infections Clinical Trials Group (STI CTG); RFP# NIAID-DMID-NIHA12011122*, funded by the National Institutes of Health
 - *Implementation of Oral and Self-Collected Rectal Swabs for *N. gonorrhoeae* and *C. trachomatis* Detection as a Component of Local Health Department Outreach Testing*, funded by the Arnold P. Gold Foundation
 - *Evaluation of the Xpert Trichomonas Assay*, funded by Cepheid
 - *A Comparative Evaluation of the Single-Dose Efficacy of Oral Delafloxacin Versus the Single-Dose Efficacy of an Intramuscular Injection of Ceftriaxone in Subjects with Uncomplicated Urogenital Gonorrhea*, funded by Melinta Therapeutics

Laura Baker, PhD, Department of Internal Medicine, Section on Gerontology

- Principal Investigator on Projects Funded in FY2013-2014
 - *Alzheimer's Disease Cooperative Study (ADCS)*, funded by a subcontract from the University of California at San Diego

Christina Bellinger, MD, Department of Internal Medicine, Section on Pulmonary, Critical Care, Allergy and Immunological Medicine

- Principal Investigator on Projects Funded in FY2013-2014
 - *Study of the AeriSeal System for HyPerinflation Reduction in Emphysema (ASPIRE)*, funded by Aeris Therapeutics, LLC

Sarah Berga, MD, Department of Obstetrics & Gynecology

- Principal Investigator on Projects Funded in FY2013-2014
 - *Long Term Trajectory of Cognitive Function Related to Anastrozole Use in Women*, funded by a subcontract from the University of Pittsburgh

Jane Boggs, MD, Department of Neurology

- Principal Investigator on Projects Funded in FY2013-2014
 - *Open-Label Study to Assess the Safety and Tolerability of Intravenous Carbamazepine as Short-Term Replacement of Oral Carbamazepine in Adult Patients with Epilepsy*, funded by Lundbeck, Inc.
 - *A, Randomized, Double-Blind, Placebo Controlled Trial Examining the Safety and Efficacy of Midazolam Intranasal Spray (USL261) for the Treatment of Intermittent Bouts of Increased Seizure Activity in the Epilepsy Monitoring Unit (EMU)*, funded Upsher-Smith Laboratories, Inc.
 - *RNS System Long-Term Treatment Clinical Investigation*, funded by NeuroPace, Inc.

Jamie Bohl, MD, Department of General Surgery

- Principal Investigator on Projects Funded in FY2013-2014
 - *Clinicopathologic Screening for Lynch Syndrome in Colon Cancer. Get Your Rear in Gear Event*, funded by the Colon Cancer Coalition

Isai Gopalakrishnan Bowline, MD, Department of Internal Medicine, Section on Nephrology

- Principal Investigator on Projects Funded in FY2013-2014
 - *A Long-Term Safety Extension Trial of KRX-0502 (Ferric Citrate) in Patients with End-Stage Renal Disease (ESRD) on Dialysis*, funded by Keryx Biopharmaceuticals, Inc.

Allison Brashear, MD, Department of Neurology:

- Elected or Appointed to a National Board
 - Board of Directors, American Academy of Neurology
 - Executive Council, American Neurological Association
 - Neurology Council, American Board of Psychiatry and Neurology
 - Executive Council, American University Professors of Neurology
 - Professional Advisory Board, Dystonia Spasmodic Tropicollis
- Served on a Study Section
 - Special Emphasis Panel/Scientific Review Group, 2014/10ZNS1 SRB-G(G78)(NINDS)
 - Special Emphasis Panel/Scientific Review Group, 2015/01 NST-1 (NINDS)
 - Study Section Reviewer, ZNS1 SRB E02 (NINDS)
 - Study Section Reviewer, ZNS1 SRB-G (81) (NINDS)
- Principal Investigator on Projects Funded in FY2013-2014
 - *A phase III, multicentre, Double-Blind, Prospective, Randomized, Placebo Controlled Study, assessing the efficacy and safety of Dysport used for the treatment of lower limb Spasticity or traumatic brain injury*, funded by Ipsen, Inc
 - *A Phase III, Prospective, Multicentre, Open-Label, extension study, to assess the long term Safety and efficacy of repeated treatment Dsyport intramuscular injection in the treatment of lower limb spasticity in adult subjects with spastic hemiparesis due to stroke or traumatic brain injury*, funded by Ipsen, Inc
 - *Phase III Study for the Treatment of Lower Limb Spasticity in Post-Stroke Patients*, funded by Merz Pharmaceuticals GmbH

Allison Brashear, MD, Department of Neurology (cont.):

- *A phase III, multicenter, prospective, double-blind, randomized, placebo-controlled study assessing the efficacy and safety of Dysport® intramuscular injections used for the treatment of upper limb spasticity in adult subjects with spastic hemiparesis due to stroke or traumatic brain injury*, funded by IPSEN Group
- *A phase III, multicenter, prospective, open label extension study to assess the long-term safety and efficacy of repeated treatment of Dysport® intramuscular injections used for the treatment of upper limb spasticity in adult subjects with spastic hemiparesis due to stroke or traumatic brain injury*, funded by Tercica, Inc.
- *Prospective, double-blind, placebo-controlled, randomized, multi-center study with open-label extension period to investigate the efficacy and safety of NT 201 in the treatment of post-stroke spasticity of the lower limb*, funded by Merz Pharmaceuticals GmbH
- *CD FLEX: An Open-Label, Non-Inferiority Study Evaluating the Efficacy and Safety of Two Injection Schedules of Xeomin® (incobotulinumtoxinA) [Short Flex vs. Long] in Subjects with Cervical Dystonia with ≤10 Weeks of Benefit from OnabotulinumtoxinA Treatment*, funded by Merz Pharmaceuticals, LLC
- *A Phase IIIB, Multicentre, Randomised, Double-blind, Placebo-Controlled Study evaluating the efficacy and safety of Dysport Using 2 ml dilution in adults with cervical dystonia*, funded by Ipsen Pharma S.A.S.
- *A Phase IIIB, prospective, Multicentre, open-label extension study to assess long term safety and Effectiveness of dysport using 2 ml dilution in adults with cervical dystonia*, funded by Ipsen Pharma S.A.S.
- *Botox treatment in Adult Patients with Post-Stroke Lower Limb Spasticity*, funded by Allergan

Gretchen Brenes, PhD, Department of Psychiatry & Behavioral Medicine:

- Principal Investigator on Projects Funded in FY2014-2015
 - *An RCT of CBT-Telephone for Late-Life GAD*, funded by the National Institute on Mental Health

Tina Brinkley, PhD, Department of Internal Medicine, Section on Gerontology:

- Elected or Appointed to a National Board
 - Program Committee, North American Artery Society (NAA) Meeting
- Principal Investigator on Projects Funded in FY2013-2014
 - *Cardiac Imaging of Thoracic Fat and Aortic Stiffness in Older High Risk Patients*, funded by the National Institute on Aging
 - *Exercise, Weight Loss, and Arterial Stiffness in Obese, Older Adults*, funded by the American Heart Association, Mid-Atlantic Affiliate

K. Bridget Brosnihan Simmons, PhD, Hypertension & Vascular Research Center:

- Elected to a Professional Society Officer Position
 - Executive Committee for the Inter-American Society of Hypertension
- Elected or Appointed to a Peer-Reviewed Journal Editorial Board for:
 - Hypertension
 - Current Hypertension Reviews
 - American Journal of Physiology, Heart & Circulation
- Served on a Study Section
 - T32 Grant Review: National Institutes of Health: National Heart, Lung & Blood Institute
 - Abstract Reviewer: American Heart Association, Council for High Blood Pressure Research
 - American Heart Association IRG Panel
- Other Noteworthy Accomplishments
 - Lifetime Achievement Award for the InterAmerican Society for Hypertension, InterAmerican Society of Hypertension

Candice Brown, PhD, Internal Medicine, Molecular Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Epigenetic Regulation of the Murine Estrogen Receptor – B (ERB) Promoter in Brain Aging*, funded by a WFSM Venture Grant

Cynthia Burns, MD, Department of Internal Medicine, Section on Endocrinology & Metabolism

- Principal Investigator on Projects Funded in FY2013-2014
 - *#3rd Year IM Clerkship Narrative Reflection Essays*, funded the American College of Physicians
 - *Impressions of IM: Before & After the 3rd year clerkship*, funded the American College of Physicians

Cheryl Bushnell, MD, MHS, Department of Neurology:

- Elected or Appointed to a National Board
 - Chair, Women and Special Populations Committee, Clinical Cardiology, American Heart Association
 - Writing Group Stroke Primary Prevention Guidelines Statement, (vice-chair), Fellow of the American Heart Association
- Received a National, Local or Civic Award
 - Roxanna Todd Hodges Endowed Lectureship Award, University of Southern California
- Served on a Study Section
 - Scientific Abstract Reviewer, International Stroke Conference
 - Study Section, Stroke Prevention/Intervention Research Program (SPIRP) U54, National Institutes of Health
- Principal Investigator on Projects Funded in FY2013-2014
 - *Comparative Effectiveness of Rehabilitation Services Following an Acute Ischemic Stroke*, funded the Patient-Centered Outcomes Research Institute

Susan K. Burden, MD, Department of Ophthalmology

- Elected to a Professional Society Officer Position
 - President of the North Carolina Society of Eye Physicians and Surgeons

Kathryn Callahan, MD, Department of Internal Medicine, Section on Gerontology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Improving Geriatrics Quality of Care Through an Interdisciplinary Transitions of Care Teaching Clinic*, funded by the Health Resources and Services Administration
 - ADGAP Geriatrics Education Coordinating Center Web-based Geriatric Education Modules (WebGEMS) on POGOe, funded by a subcontract with Mount Sinai School of Medicine

Melanie Caserta, MD, Division of Radiologic Sciences, Department of Diagnostic Radiology

- Principal Investigator on Projects Funded in FY2013-2014
 - *ACRIN 6695- Ovarian Cancer: Evaluating Perfusion CT as Prognostic Indicator: a Sub-Study of GOG 0262*, funded by the American College of Radiology

Sharon Castellino, MD, MSc, Department of Pediatrics:

- Served as a Study Section Chair
 - Study Chair, Children's Oncology Group Study AHOD1331 for treatment of Childhood Hodgkin Lymphoma
- Principal Investigator on Projects Funded in FY2013-2014
 - *Resonance Imaging Trial for Heart bioMarkers (RITHM) in AYA Cancer Survivors*, funded by the National Institutes of Health
 - *Cardiovascular and Cerebrovascular Function in Pediatric Brain Tumor Survivors*, funded by the St. Baldrick's Foundation
 - *Clinical Trial Advancement Award*, funded by CureSearch for Children's Cancer
 - *WO: CTSUPHIIISupp: FP00015898_SUB210_01Cancer Trials Support unit(CTSUS) Phase II Supplemental Payments (N02-CM-62212)*, funded by the Children's Hospital Of Philadelphia
 - *National Clinical Trials Network (NTCN)(U10CA180886)_Work Load Intensity*, funded by the National Institutes of Health
 - *A Phase 2 Multi-Center Historically-Controlled Study of Dasatinib Added to Standard Chemotherapy in Pediatric Patients with Newly Diagnosed Philadelphia Chromosome Positive Acute Lymphoblastic Leukemia*, funded by the Children's Hospital Of Philadelphia
 - *A Phase II Study of MLN8237 (IND#102984), a Selective Aurora A Kinase Inhibitor in Children with Recurrent/Refractory Solid Tumors and Leukemia's*, funded by the Millennium Pharmaceuticals, Inc.
 - *A Phase II Study in Recurrent or Progressive Brain Tumors in Pediatric and Young Adult Patients . (ACNS1021_WO:FP13172_SUB83_01)*, funded by Pfizer, Inc.
 - *A Phase III Randomized Trial for Patients with De novo AML Using Bortezomib (NSC# 681239) and Sorafenib (BAY 43-90006, NSC# 724772) for Patients with High Allelic Ratio FLT2/ITD*, funded by Millennium Pharmaceuticals, Inc.
 - *A Phase II Pilot Trial of Bortezomib (PS-341, Velcade, IND# 58,443) in Combination with Intensive Re-Induction Therapy for Children with Relapsed Acute Lymphoblastic Leukemia (ALL)and Lymphoblastic Lymphoma (LL)*, funded by Millennium Pharmaceuticals, Inc.
 - *Intergroup Trial for Children or Adolescents with B-Cell NHL or B-AL: Evaluation of Rituximab Efficacy and Safety in High Risk Patients (ANHL 1131)*, funded by F. Hoffmann-La Roche Ltd.

Sharon Castellino, MD, MSc, Department of Pediatrics (cont.):

- *A Phase III Randomized Trial for Newly Diagnosed High Risk B-Precursor Acute Lymphoblastic Leukemia (ALL) Testing Clofarabine (IND # 73789, NSC # 606869) in the Very High Risk Stratum*, funded by Sanofi US Services Inc.
- *ALTE11C2_WO:FP00016521_Health Effects after Anthracycline and Radiation Therapy Dexazoxane and Prevention of Anthracycline-related Cardiomyopathy*, funded by the Leukemia & Lymphoma Society
- *Health Effects After Anthracycline and Radiation Therapy (HEART) Dexazoxane and Prevention of Anthracycline-Related Cardiomyopathy_WO:FP00016521*, funded by the St. Baldrick's Foundation
- *CCOP Per Case Reimbursement - -2U10CA95861-11 WO:FP00013744_SUB194-01*, funded by a subcontract from the Children's Hospital of Philadelphia
- *Workload Intensity Model for Support for Administrative Duties at Participating Sites Chair Grant (U10CA098543)*, funded by a subcontract from the Children's Hospital of Philadelphia
- *SunCoast CCPO Research Base*, funded by a subcontract from the University of South Florida
- Principal Investigator on Projects Funded in FY2014-2015
 - *Hyundai Hope on Wheels for Childhood Cancer Research*, funded by Hyundai
 - *St. Baldrick's Childhood Cancer Foundation*, funded by the Childhood Cancer Program

Ebere Chukwu, MBBS, Department of Internal Medicine, Section on Cardiology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Randomized, Double-Blind, Placebo Controlled Study of the Short Term Clinical Effects of Tolvaptan in Patients Hospitalized for Worsening Heart Failure with Challenging Volume Management*, funded by the Cardiovascular Clinical Science Foundation
 - *A Phase 2/3, Double-Blind Placebo-Controlled, Multinational, Multicenter, Randomized Study Evaluating the Safety and Efficacy of Intracoronary Administration of MYDICAR (AAV1/SERCA2a) in Subjects with Heart Failure*, funded by the Celladon Corporation

Suzanne Craft, PhD, Department of Internal Medicine, Section on Geriatrics & Gerontology:

- Elected to a Professional Society Officer Position
 - Appointed to the Medical and Scientific Advisory Council of the International Alzheimer's Association
- Served as a Study Section Chair
 - Session Chair, National Institute on Aging Alzheimer's Disease Research Summit
- Are a NIH Study Section Charter Member
 - Charter Member, NIH Clinical Neuroscience and Neurodegeneration Study Section
- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Journal of Alzheimer's Disease
- Principal Investigator on Projects Funded in FY2013-2014
 - *Therapeutic Effect of Intranasal Insulin on Cognition, Function, and AD Biomarkers*, funded by the National Institute on Aging
 - *Glucose Regulation and Memory in Alzheimer's Disease*, funded by the National Institute on Aging
 - *Intranasal Insulin as a Therapeutic Agent in Alzheimer's Disease*, funded by the National Institute on Aging
 - *B-Cell Function and Cognition in the Restoring Insulin Secretion (RISE) Study*, funded by the National Institutes of Health
 - *Anti-Amyloid Treatment In Asymptomatic Alzheimer's Disease (Study A4)*, funded by a subcontract with the University of California - San Diego
 - *ADRC Project 2: Intranasal Insulin Detemir and Cognition in AD*, funded by a subcontract with the University of Washington
 - *The Effects of Intranasal Insulin on Amyloid Burden Assessed with [18F] Flutemetamol Positron Emission Tomography: An Ancillary Study*, funded by GE Healthcare Inc.
- Principal Investigator on Projects Funded in FY2014-2015
 - *Alzheimer's Disease Prevention Participant Repository*, funded by The Hartman Foundation, Inc
 - *Beta-cell Function and Cognition in the Restoring Insulin Secretion (RISE) Study*, funded by the National Institute of Diabetes and Digestive Kidney Diseases
 - *Therapeutic Effect of Intranasal Insulin on Cognition, Function, and AD Biomarker*, funded by the National Institute on Aging
 - *Glucose Regulation and Memory in Alzheimer's Disease*, funded by the National Institute on Aging

Suzanne Craft, PhD, Department of Internal Medicine, Section on Geriatrics & Gerontology (cont.):

- *National Institute of Aging Project 2, Alzheimer's Disease Research Center*, funded by the National Institute on Aging
- *Project 2: Intranasal Insulin as a Therapeutic Agent in Alzheimer's Disease*, funded by the National Institute on Aging
- *Anti-Amyloid Treatment in Asymptomatic Alzheimer's Disease (A4 Study)*, funded by the National Institute of Health

Sonia Crandall, PhD, MS, Physician Assistant Studies:

- Elected to a Professional Society Officer Position
 - Chair Elect of the Association of American Medical Colleges Southern Group on Educational Affairs (2014-2015)
- Received a National, Local or Civic Award
 - James Edwin Byrum, Jr., MD, Distinguished Faculty Mentor Award
 - Generalists in Medical Education Servant Leadership Award

Tracy Criswell, PhD, Wake Forest Institute for Regenerative Medicine

- Elected or Appointed to a National Board
 - Vice Chair, The Musculoskeletal Working Group of the Tissue Engineering and Regenerative Medicine International Society
- Served on a Study Section
 - Grant Reviewer, National Science Foundation
 - Abstract Reviewer, Tissue Engineering and Regenerative Medicine International Society
- Other Noteworthy Accomplishments
 - Figure in article selected to be the cover photo for the August 2014 issue of *American Journal of Pathology*

Gail Curtis, MPAs, PA-C, Physician Assistant Studies:

- Elected to a Professional Society Officer Position
 - Vice President and Speaker of the House of Delegates, American Academy of PA's

Kerry Danelson, PhD, Department of Orthopaedic Surgery:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Injury Analysis of Soldiers Exposed to Under Body Blast*, funded by the Army Med R & D Command
 - *The Impact and Injury Response of the Male and Female PMHS and Hybrid III ATD under Blast-Induced Accelerative Loading*, funded by the Army Med R & D Command

Suzanne Danhauer, PhD, Division of Public Health Sciences, Department of Social Sciences & Health Policy:

- Elected or Appointed to a Community Advisory Board
 - Serve on the local advisory board for Catholic Charities
- Held a leadership position in Community/Non-Professional Organizations
 - Advisory Board for Catholic Charities
- Principal Investigator on Projects Funded in FY2013-2014
 - *Reducing Lung Cancer Survivor Anxiety (RELAX) with Brief Device-Guided Breathing*, funded by the National Cancer Institute

Nancy Denizard-Thompson, MD, Department of Internal Medicine, Division of General Internal Medicine:

- Received a National, Local or Civic Award
 - Unified Leadership Training in Diversity Award from the Associate of Chiefs and Leaders of General Internal Medicine

Natalia Dixon, MD, Department of Pediatrics:

- Principal Investigator on Projects Funded in FY2013-2014
 - *NC Sickle Cell Syndrome Program*, funded by the Department of Health and Human Services
 - *Prevention of the Complications of Bleeding Disorders Through HTCs*, funded by a subcontract with the University of N Carolina-Chapel Hill
 - *Southeast Region Comprehensive and Diagnostic Bleeding Disorders Treatment Center Program*, funded by a subcontract with Hemophilia of Georgia, Inc.

Debra Diz, PhD, Hypertension & Vascular Research Center:

- Served on a National Panel or Taskforce:
 - NIH Reviewers Reserve, National Institutes of Health
 - Committee for review of NHLBI R25 Cardiovascular Program, North Carolina Central University
 - R35 Special Emphasis Panel, Minority and Training Programs, Review Committee Chair, National Heart, Lung & Blood Institute
 - Chair, Special Review Committee, Teleconferences, National Institutes of Health
 - Program Project Reviews, Special Emphasis Panel, National Heart, Lung & Blood Institute
 - NHLBIT35 Grant Reviews, National Heart, Lung & Blood Institute
 - Member, NHLBI Review Panel K applications, National Heart, Lung & Blood Institute
 - Abstract Grader, American Heart Association, Council for High Blood Pressure Research
- Elected or Appointed to a National Board:
 - Nominations & Awards Committee Member: Consortium for Southeastern Hypertension Control
 - Executive Committee: Cardiovascular Division: The American Society for Pharmacology & Experimental Therapeutics
 - Appointed HBPR Excellence Award Selection Committee: American Heart Association, Council for High Blood Pressure Research
 - Appointed, AHA Strategically Focused Research Networks Oversight Committee, 3 year appointment, American Heart Association, National Center
- Elected or Appointed to a National Board:
 - Member of Executive Board, Consortium for Southeastern Hypertension Control
 - Member, Executive Committee, Minority Access for Research Careers (MARC) and RISE programs; Chair 2012-present, Winston-Salem State University for NIH, NIGMS funded programs
 - Member, External Advisory Board, Science, Technology & Engineering Programs, National Science Foundation Historically Black Colleges & Universities (HBCU-UP), Johnson C. Smith University for NSF funded programs
 - Member, External Advisory Committee for the University of Florida Pepper Center; Chair for 2015, University of Florida for NIH, NIAA funded Pepper Center
 - Executive Leadership Team for Winston-Salem's American Heart Ball, American Heart Association, Winston-Salem
- Elected or Appointed to a Community Advisory Board:
 - Member, Career Development for Women Leaders (CDWL) Advisory Board; Vice-Chair, Office of Women in Medicine & Science, WFSM
- Elected or Appointed to Peer-Reviewed Journal Editorial Board
 - Editorial Board, Current Hypertension Reviews
 - Editorial Board, Current Hypertension Reports
 - Associate Editor, Frontiers in Integrative Physiology
 - Associate Editor, American Journal of Physiology/Heart & Circulation
- Principal Investigator on Projects Funded in FY2013-2014
 - *Postbaccalaureate Research Education Program (PREP)*, funded by the National Institute of General Medical Sciences
- Other Noteworthy Accomplishments
 - Office of Women in Medicine and Science (OWIMS) Monthly Exemplary Mentor Spotlight, WFSM
 - Chair, WFSM Executive Leadership in Academic Medicine Nominating Committee, WFSM

Laura Downey, MD, Department of Pediatrics:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Task order #25 "Antibiotic Safety in Infants with Complicated Intra-Abdominal Infections"*, funded by the National Institutes of Health

Pamela Duncan, PhD, Department of Neurology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Community-based Falls Prevention Program for Vulnerable Adults Recently Discharged Home from the Hospital*, funded by a subcontract with Duke-NUS Graduate Medical School Singa

Angela F. Edwards, MD, Department of Anesthesiology

- Elected to a Professional Society Officer Position
 - Secretary/Treasurer, Society of Perioperative Quality Improvement
- Served on a National Panel or Task Force
 - International Anesthesia Research Society meeting
 - American Society of Anesthesiologists national meeting

Cynthia Emory, MD, Department of Orthopaedic Surgery:

- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Associate Editor, BMC Cancer, Surgical Oncology & Imaging Section
- Elected or Appointed to a National Board
 - Executive Committee Leadership Team Member, North Carolina Orthopaedic Association
- Principal Investigator on Projects Funded in FY2013-2014
 - *The Effect of Angiotensin-(1-7) in Radiation-Induced Fibrosis*, funded by the Orthopaedic Research and Education Foundation

Leslie Ellis, MD, Department of Internal Medicine, Section on Hematology & Oncology

- Principal Investigator on Projects Funded in FY2013-2014
 - *A Phase 3 Randomized, Double-Blind, Placebo-Controlled Study to Compare Efficacy and Safety of Oral Azacitidine Plus Best Supportive Care Versus Best Supportive Care as Maintenance Therapy in Subjects with Acute Myeloid Leukemia in Complete*, funded by the CCCWFU.

Adele Evans, MD, FAAP, Department of Pediatrics:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Tracheotomies in Infants and Children: A Primer for Care Providers*, funded by the North Carolina Department of Health & Human Services

Andrea Fernandez, MD, Department of Obstetrics & Gynecology

- Elected or Appointed to a National Board
 - Elected to Epic Obstetrics Specialty Steering Board

Kirsten Feiereisel, MD, Department of Internal Medicine, Section on General Internal Medicine

- Principal Investigator on Projects Funded in FY2013-2014
 - *STAR: A Resident Curriculum*, funded the American College of Physicians

Cristin Ferguson, MD, Department of Orthopaedic Surgery

- Principal Investigator on Projects Funded in FY2013-2014
 - *Impact of Oxygen Tension on Human Meniscus Tissue Engineering*, funded the National Institutes of Health
 - *BMP Receptors and GDF5 in Osteoarthritis*, funded the Orthopaedic Research & Education

Capri Foy, PhD, Division of Public Health Sciences, Department of Social Sciences & Health Policy:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Prosocial Behavior and Volunteerism to Promote Physical Activity in Older Adults*, funded the National Heart, Lung and Blood Institute

Jane Foy, MD, Department of Pediatrics:

- Principal Investigator on Projects Funded in FY2013-2014
 - *School Health Alliance for Forsyth County*, funded the School Health Alliance

Cristina Furdul, PhD, Department of Internal Medicine, Section on Molecular Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *New Reagents for Tracking Protein Oxidation in Cells by MS and Imaging Methods*, funded the National Cancer Institute
 - *Oxidative Stress and the Development of Osteoarthritis*, funded the National Institutes of Health
 - *Integrin Function in Cartilage*, funded the National Institutes of Health

Patricia Gallagher, PhD, Hypertension & Vascular Research Center:

- Served on a National Panel or Task Force
 - Molecular Signaling 2. Unified Peer Review Study Group, American Heart Association
- Principal Investigator on Projects Funded in FY2013-2014
 - *Prevention of Doxorubicin-Induced Cardiotoxic Late Effects by Ang-(1-7)*, funded by the Leukemia & Lymphoma Society
- Other Noteworthy Accomplishment
 - Invited chapter for Angiotensin-(1-7) and Cancer – “Protective Arm of the “Renin Angiotensin System”, 2014”

Sabina Gesell, PhD, Division of Public Health Sciences, Department of Social Sciences and Health Policy

- Principal Investigator on Projects Funded in FY2013-2014
 - *Building Social Networks to Achieve Healthy Weight Gain During Pregnancy*, funded by the Eunice Kennedy Shriver National Institute of Child Health and Development

Emily Gower, PhD, Division of Public Health Sciences, Department of Social Sciences & Health Policy:

- Served on a National Panel or Task Force
 - Chair, Trichiasis Surgery Practice Working Group for the International Coalition for Trachoma Control
- Principal Investigator on Projects Funded in FY2013-2014
 - *Secondary Analysis of Four Trichiasis Surgery Clinical Trials to Inform Management Strategies*, funded the National Eye Institute
 - *Seeing is Believing Innovation Fund*, funded Seeing is Believing
 - *Visual-Spatial Perception and Psychomotor Skills Assessment and Development of 'Head Start' Training Materials*, funded the Fred Hollows Foundation
 - *Johns Hopkins Healthy Eyes Translational Research Center*, funded by a subcontract with Johns Hopkins University

Tanya Gregory, PhD, Physician Assistant Program

- Principal Investigator on Projects Funded in FY2013-2014
 - *Use of the Medical Humanities in Physician Assistant Educational Programs: A National Survey*, funded the *Physician Assistant Education Association*

Leanne Groban, MD, Department of Anesthesiology:

- Elected or Appointed to Peer-Reviewed Journal Editorial Board
 - Anesthesia Analgesia
 - Anesthesiology
 - Journal of Clinical Anesthesia
 - Hypertension
 - Journal of Anesthesia and Pain Management
 - Cardiovascular Diabetology
 - Echocardiography
- Served on a National Panel or Taskforce:
 - Grant Reviewer, American Federation on Aging Research
 - Geriatrics Anesthesia Committee, American Society of Anesthesiologists
- Principal Investigator on Projects Funded in FY2013-2014
 - *The Conditional GPR30 Knockout Mouse: A Model of Female-Specific Cardiac Aging*, funded the National Institute on Aging
 - *Interplay Between Estrogen, GPR30 and Chymase/RAS in Diastolic Function*, funded by the National Institute on Aging
- Principal Investigator on Projects Funded in FY2014-2015
 - *Vasohormonal mechanisms in hypertension*, funded the National Institutes of Health
 - *Project 3: Estrogen/GPR30 modulation of cardiac RAS metabolism in sex-specific hypertensive heart disease*, funded by the National Institutes of Health

TanYa Gwathmey-Williams, MS, PhD, Hypertension & Vascular Research Center:

- Elected or Appointed to a National Board
 - Organizational Board of the NC Women of Color Research Network
- Elected to a Professional Society Officer Position
 - Training & Diversity Committee, American Physiological Society
- Served on a National Panel or Task Force
 - Abstract Grader, American Heart Association Council for Epidemiology, Nutrition, Physical Activity and Metabolism
 - Scientific Review Panel – Cardiorenal Section, American Heart Association
- Principal Investigator on Projects Funded in FY2013-2014
 - *Wake Forest University School of Medicine PREP Scholars*, funded by the NIH National Institute of General Medical Sciences
- Principal Investigator on Projects Funded in FY2014-2015
 - *Oxidative Stress and Renal Injury in Cardiometabolic Disease*, funded by the American Heart Association
 - *Interactions of Vitamin D and the Renin Angiotensin System*, funded by Hypertension and Vascular Research, Wake Forest School of Medicine

Karen Haas, PhD, Department of Microbiology & Immunology:

- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Associate Editor, Board of Journal of Immunology
- Principal Investigator on Projects Funded in FY2013-2014
 - *Regulation of B-1b Cell Antibody Production to Carbohydrate Tumor Antigens*, funded by the American Cancer Society
- Principal Investigator on Projects Funded in FY2014-2015
 - *Regulation Of Memory B Cell Responses To Polysaccharide Antigens*, funded by the National Institutes of Health

Kristen Hairston, MD, MPH, Department of Internal Medicine, Section on Endocrinology & Metabolism:

- Elected or Appointed to a National Board
 - Member, American Heart Association-Obesity Committee
- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - *Men's Health*
- Principal Investigator on Projects Funded in FY2013-2014
 - *Visceral Adipose Tissue as Mediator between Lifestyle Factors and Cardiometabolic Risk*, funded by the Department of Health & Human Services
 - *TECOS: A Randomized, Placebo Controlled Clinical Trial to Evaluate Cardiovascular Outcomes After Treatment with Sitagliptin in Patients with Type 2 Diabetes Mellitus and Inadequate Glycemic Control on Mono- or Dual Combination Oral Antihyperglycemic Ther*, funded by the Merck & Company, Inc.
- Principal Investigator on Projects Funded in FY2014-2015
 - *The Effects of a Soluble Dietary Fiber Intervention on the Generation of Oxidative Stress and Inflammation in Obese African American Women*, funded by a 2014 HVRC Pilot Grant Award from the Hypertension and Vascular Research, WFSM

Annette Hastie, PhD, Center for Genomics and Personalized Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Core for Sputum Slide Differential Counts for SARP III Network Longitudinal Study*, funded by the National Heart, Lung and Blood Institute

Jennifer Helderman, MD, Department of Pediatrics:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Trial of Late SURfactant (TOLSURF) to Prevent BPD*, funded by a subcontract with the University of California, San Francisco

Denise Houston, PhD, Department of Internal Medicine, Section on Gerontology:

- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Journal of Gerontology Medical Sciences
 - Journal of Nutrition in Gerontology and Geriatrics
- Principal Investigator on Projects Funded in FY2013-2014
 - *Trial of vitamin D supplementation and neuromuscular function in older adults*, funded by the National Institutes of Health
 - *Dietary protein and change in physical function in black and white older adults*, funded by the National Institutes on Aging
 - *A Randomized Double Blinded Controlled Trial of an Oral Nutritional Supplement Containing AN 777 in Older Hospitalized Patients*, funded by Abbott Laboratories

Marissa Howard-McNatt, MD, Department of Surgical Oncology

- Principal Investigator on Projects Funded in FY2013-2014
 - *Alliance A011104/ACRIN 6694 - Effect of Preoperative Breast MRI on Surgical Outcomes, Costs and Quality of Life of Women with Breast Cancer*, funded by the Alliance for Clinical Trials in Oncology
 - *Alliance A011202: A Randomized Phase III Trial Evaluating the Role of Axillary Lymph Node*, funded by the Alliance for Clinical Trials in Oncology
 - *Dissection in Breast Cancer Patients (cT1-3 N1) Who Have Positive Sentinel Lymph Node Disease After Neoadjuvant Chemotherapy*, funded by the Alliance for Clinical Trials in Oncology

Allyn Howlett, PhD, Department of Physiology & Pharmacology:

- Elected or Appointed to a National Board:
 - Co-Chair of the International Union of Pharmacologists Nomenclature Committee, Subcommittee on Cannabinoid Receptors
 - Member, Executive Committee, Minority Access for Research Careers (MARC) and RISE Programs, Winston-Salem State University for NIH, NIGMS funded programs
 - Advisory Board, U54 Cooperative Agreement for Alcohol Research NCCU-UNC-Chapel Hill, NIAAA
 - Member, Board of Directors, and Chair, Local Arrangements Committee for the Annual Meeting, 2015, North Carolina Academy of Science
- Elected or Appointed to Peer-Reviewed Journal Editorial Board
 - Editorial Board of the Journal of Biological Chemistry, American Society for Biochemistry and Molecular Biology
- Served on a National Panel or Task Force
 - Program Project Review, NIH CSR
- Principal Investigator on Projects Funded in FY2013-2014
 - *Cannabinoid Receptors in Neuronal Cells and Brain*, funded by the National Institute on Drug Abuse
 - *Center for the Neurobiology of Addiction Treatment; Project 3: Molecular Consequences of Treatment with putative pharmacotherapies for cocaine dependence using cell and animal models*, funded by the National Institute of General Medical Sciences
 - *Postdoctoral Research, Instruction, and Mentoring Experience (PRIME)*, funded by the NIH National Institute of General Medical Sciences
 - *CB1 cannabinoid and D2 dopamine Receptor Signaling as Neuronal Progenitors Differentiate*, funded by the WFU Center for Molecular Communications and Signaling Award

Christina E. Hugenschmidt, PhD, Department of Internal Medicine, Section on Gerontology & Geriatric Medicine

- Principal Investigator on Projects Funded in FY2013-2014
 - *Cognitive/Brain Effects of Adding Weight Loss to Exercise in Obese Older Adults*, funded by the American Federation for Aging Research

Tamison Jewett, MD, Department of Pediatrics:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Medical Genetic Services*, funded the NC Department of Health & Human Services
 - *Prevalence and Traits of FASD in the U.S. Population: Evidence from Schools*, funded by a subcontract with the University of North Carolina – Chapel Hill

Annette Johnson, MD, MS, Department of Radiology:

- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Journal of the American College of Radiology

Sara Jones, PhD, Department of Physiology & Pharmacology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Test of the Effects of an Opioid Antagonist Compound Created by Lundbeck Research USA on Dopamine (DA) Parameters in the Nucleus Accumbens (NAC) of Ethanol-Dependent and Naive Animals*, funded a subcontract from Lundbeck, Inc.
 - *Animal Models of Cocaine Addiction*, funded the National Institute on Drug Abuse
 - *Ethanol, Stress and Dopamine*, funded the National Institute on Alcohol Abuse and Alcoholism
 - *Methylphenidate, Serotonin and Dopamine Interactions*, funded the National Institute on Drug Abuse
 - *Pharmacology of Dopamine Release by Amphetamine*, funded by a subcontract with the University of Michigan

Kylie Kavanagh, DVM, Department of Pathology, Section on Comparative Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Chaperone Proteins in a Primate Model of Age-Related Metabolic Disease*, funded the National Institutes of Health
- Principal Investigator on Projects Funded in FY2014-2015
 - *Age-Related Changes in Intestinal Function and Sarcopenia in Monkeys*, funded by the National Institutes on Aging

Nancy King, JD, Division of Public Health Sciences, Department of Social Sciences & Health Policy:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Trans CEER Coordination Component of the Center for Genomics and Society*, funded by the National Institutes of Health
 - *Strengthening Behavioral and Social Science in Medical Education*, funded by a subcontract with the University of North Carolina-Chapel Hill

Heidi Klepin, MD, Department of Internal Medicine, Section on Hematology & Oncology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Clinical and Biological Predictors of Chemotherapy Toxicity in Older Adults*, funded a subcontract with the City of Hope Comprehensive Cancer Center
 - *Minimizing Physical Function Decline in Older Adults*, funded the Gabrielle's Angel Foundation for Cancer Research
 - *Developing a Predictive Model to Anticipate Chemotherapy toxicity in older adults with breast cancer*, funded a subcontract with the City of Hope Comprehensive Cancer Center
 - *Minimizing Physical Function Decline in Older Adults Receiving Chemotherapy*, funded the National Institute on Aging

Julia Lawrence, DO, Department of Internal Medicine, Section on Hematology & Oncology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *A Phase 2, Randomized, Double-Blind, Multicenter Study of Exemestane With and Without SNDX-275 in Postmenopausal Women With Locally Recurrent or Metastatic Estrogen Receptor-Positive Breast Cancer, Progressing on Treatment With a Non-Steroidal Aromatase*, funded by Syndax Pharmaceuticals, Inc

Cynthia Lees, DVM, Department of Pathology, Section on Comparative Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *DEXA Scans on Rats for Keranetics*, funded by KeraNetics. LLC

Julie Linton, MD, FAAP, Department of Pediatrics

- Elected or Appointed to a National Board
 - Elected to the Executive Committee for the American Academy of Pediatrics Council on Community Pediatrics
 - Appointed to the Steering Committee for the American Academy of Pediatrics Immigrant Health Special Interest Group
 - Appointed Vice-Chair, American Academy of Pediatrics Immigrant Health Special Interest Group
 - Appointed to the NC Refugee Health Advisory Committee as a representative of the NC Pediatric Society
- Other Noteworthy Accomplishments
 - Co-founded the Forsyth County Refugee Health Collaborative

Yongmei Liu, MD, PhD, Division of Public Health Sciences, Department of Epidemiology & Prevention:

- Principal Investigator on Projects Funded in FY2013-2014
 - *AD Gene Discovery: Exome Chip, New Endophenotypes and Functional Studies in CHARGE*, funded by a subcontract with Boston University
 - *Epigenomics of Human Health and Disease*, funded by the National Institutes of Health
 - *A Multi-Ethnic Study of Gene-Lifestyle Interactions in Cardiovascular Traits*, funded by a subcontract with Washington University - St. Louis
 - *Prospective Meta- Analyses of Drug-Gene Interactions: CHARGE GWAS Conso*, funded by a subcontract with the University of Washington

Vera Luther, MD, Department of Internal Medicine, Section on Infectious Diseases:

- Principal Investigator on Projects Funded in FY2013-2014
 - *A Resident Curriculum on Nutrition Counseling and Wellness*, funded by the American College of Physicians

Mary Lyles, MD, Department of Internal Medicine, Section on Gerontology:

- Held a leadership position in Community/Non-Professional Organizations
 - Appointed to the Executive Board and Board of Directors of Hospice and Palliative Care of Winston Salem

Gail Marion, PhD, PA-C, Department of Family & Community Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Implementing a Culturally Sensitive Health Literacy Curriculum for Medical Students*, funded by the Department of Health and Human Services (DHHS), Health Resources and Services Administration

Amy McMichael, MD, Department of Dermatology:

- Elected to a Professional Society Officer Position
 - Elected President of the Skin of Color Society
- Principal Investigator on Projects Funded in FY2013-2014
 - *The Superficial Side of Cancer Treatments: Dermatologic Toxicities*, funded by Leo Pharma
 - *A Comparison of Scalp Blood Flow and Hair Shaft In Premenopausal Women versus Postmenopausal Women*, funded by the Procter & Gamble Company
 - *Safety and Efficacy of Bimatoprost Solution Versus Vehicle in Men with Androgenic Alopecia*, funded by Allergan, Inc
 - *A Safety and Efficacy Study to Compare Dapsone Dermal Gel with Vehicle Control in Patients with Acne Vulgaris*, funded by Allergan Pharmaceuticals

Candice McNeil, MD, MPH, Department of Internal Medicine, Section on Infectious Diseases:

- Principal Investigator on Projects Funded in FY2014-2015
 - Acquisition, Detection, and Progression of HPV Infection in Women Aging with HIV, funded by the National Institutes of Health
- Other Noteworthy Accomplishments
 - Serve as STI Medical Director for Forsyth County Department of Public Health

Susan Melin, MD, Department of Internal Medicine, Section on Hematology & Oncology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Clinical Performance, Efficacy and Safety of the DigniCap System, a Scalp Hypothermia System, in Preventing Chemotherapy Induced Alopecia in Patients with Early Stage Breast Cancer*, funded by Dignitana AB
 - *A Phase III Randomized, Double Blind Placebo Controlled Study of BKM120 with Fulvestrant, in PostMenopausal Women with Hormone Receptor-Positive HER2-Negative Locally Advanced or Metastatic Breast Cancer which Progressed on or after Aromatase Inhibitor T*, funded by Novartis Pharmaceuticals Corporation

Heather Mertz, MD, Department of Obstetrics & Gynecology

- Principal Investigator on Projects Funded in FY2013-2014
 - *CenteringPregnancy at the Prior Preterm Birth Clinic*, funded by the March of Dimes Birth Defects Foundation

Deborah Meyers, PhD, Center for Genomics & Personalized Medicine Research:

- Principal Investigator on Projects Funded in FY2013-2014
 - *New Approaches for Empowering Studies in Populations of African Descent*, funded by a subcontract with Johns Hopkins University
 - *Genomics of Lung Function and Asthma Severity in African Americans*, funded by a subcontract with Emory University

Anna Miller, MD, Department of Orthopaedic Surgery:

- Principal Investigator on Projects Funded in FY2013-2014
 - *METRC -- Supplemental Perioperative Oxygen to Reduce Surgical site Infection After High Energy Fracture Surgery*, funded by a subcontract with Johns Hopkins University
 - *Streamlining Trauma Research Evaluation with Advanced Measurement (STREAM Study)*, funded by the National Institutes of Health
- Other Noteworthy Accomplishment
 - Accepted to the American Orthopaedic Association's 2015 North American Traveling Fellowship
 - Named 2015-2016 Brooks Scholar Third-Year Award Winner

Carolanne Milligan, PhD, Department of Neurobiology & Anatomy:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Motor Neuron Disease in Mouse Models of ALS: Where Does the End Begin?*, funded by the National Institute of Neurological Disorders and Stroke
 - *Radiation-Induced Brain Injury and Cognitive Dysfunction in Aging Rats*, funded by the National Institutes of Health
 - *Jointly Sponsored NIH Predoctoral Training Program in Neuroscience*, funded by the National Institutes of Health
 - *Administration of Hsp70 Maintains Muscle Innervation in the SOD1 Mouse - A New Therapeutic Approach?*, funded by the Blazeman Foundation

Mariana Murea, MD, Department of Internal Medicine, Section on Nephrology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *ACTH Treatment of APOL1-Associated Nephropathy*, funded by the Questcor Pharmaceuticals, Inc

Savithri Nageswaran, MBBS, DCH, MPH, Department of Pediatrics:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Enhancing the System of Care for Children with Complex Chronic Conditions*, funded by the Health Resources and Administration
 - *Healthcare Providers Roles in Decision Making in Pediatric Palliative Care*, funded by the Department of Health & Human Services
 - *Community-Based Care Coordination for Children with Complex Chronic Conditions*, funded by the Healthy Tomorrows Partnership for Children Program
- Principal Investigator on Projects Funded in FY2014-2015
 - *Community-Based Coordinated Care for Children with Medical Complexit*, funded by the Healthy Tomorrows Partnership for Children Program

Maggie C.Y. Ng, PhD, Center for Diabetes Research, Center for Genomics and Personalized Medicine Research:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Genetic Determinants of Adiposity in African Americans*, funded by the National Institute on Diabetes, Digestive and Kidney Diseases
- Principal Investigator on Projects Funded in FY2014-2015
 - *Integrative Study of Genomics, Transcriptomics and Metabolomics in Type 2 Diabetes*, funded by the National Institute of Health

Barbara Nicklas, PhD, Department of Internal Medicine, Section on Gerontology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Effect of Fat Loss on Functional and Cardiovascular Benefits of Aerobic Exercise*, funded by the National Heart, Lung and Blood Institute
 - *Loss of Fat Tissue and Functional Responses to Exercise in Older, Obese Adults*, funded by the National Institute on Aging

Linda Nicolotti, PhD, Department of Pediatrics

- Elected or Appointed to a Community Advisory Board
 - Salem Montessori School

Marina Nunez, MD, PhD, Department of Internal Medicine, Section on Infectious Diseases:

- Principal Investigator on Projects Funded in FY2013-2014
 - *A Phase III, Randomized, Double-Blind and Placebo-Controlled Study of Once Daily BI 201335 120 mg for 24 Weeks and BI 201335 240 mg for 12 Weeks in Combination with Pegylated Interferon- α and Ribavirin in Treatment-Naive*, funded by Boehringer Ingelheim Pharmaceuticals Inc
 - *Safety and Efficacy of 240 mg BI 201335 Once Daily in Combination with Pegylated Interferon Alpha 2a and Ribavirin for Treatment of Chronic Hepatitis C (HCV)*, funded by Boehringer Ingelheim Pharmaceuticals Inc

Mary Claire O'Brien, MD, Department of Emergency Medicine; Medical Education

- Other Noteworthy Accomplishment
 - 2015 OWIMS Mentor of the Year Award Recipient

Elizabeth Palavecino, MD, Department of Pathology

- Principal Investigator on Projects Funded in FY2013-2014
 - *Evaluation Of The Clinical Performance Of The ABON Strep A Rapid Test Device*, funded by Alere Scarborough, Inc.
 - *HardyCHROM Multi Drug Resistant Organism Screening*, funded by Hardy Diagnostics
 - *Evaluation of the Clinical Performance of the Alere PBP2a Culture Colony Test.*, funded by Alere Scarborough, Inc.

Carolyn Pedley, MD, Department of Internal Medicine, Section on General Internal Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *TECOS: A Randomized, Placebo Controlled Clinical Trial to Evaluate Cardiovascular Outcomes After Treatment with Sitagliptin in Patients with Type 2 Diabetes Mellitus and Inadequate Glycemic Control on Mono- or Dual Combination Oral Antihyperglycemic Ther*, funded by Merck & Company, Inc.

Ann Peiffer, MD, Department of Radiation Oncology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Motion Controlled Gaming for Neuroscience Education*, funded by Digital Artforms

Snezana Petrović, MD, PhD, FASN, Department of Physiology & Pharmacology:

- Served on a National Panel or Task Force
 - Manuscript reviews, American Journal Psychology, Comparative Physiology and Biochemistry, BioMedCentral
 - Review Editorial Board, Frontiers in Renal and Epithelial Physiology
- Elected to a Professional Society Officer Position
 - Appointed member of the Geriatric Nephrology Advisory Group, American Society of Nephrology
- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Renal Physiology
 - American Journal of Physiology
- Principal Investigator on Projects Funded in FY2013-2014
 - *Acid-base status as a modifier of loss of muscle during intentional weight loss in older adults*, funded by the National Institutes of Health
 - *Vitamin K, Knee Osteoarthritis, and physical function in older adults*, funded by the National Institutes of Health
- Other Noteworthy Accomplishment
 - Butler-Williams Scholar, National Institutes on Aging

Emily Poole Pharr, MD, Department of Neurology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *An Extension Protocol for Multiple Sclerosis Patients who Participated in Genzyme Sponsored Studies of Alemtuzumab (Protocol # CAMMSO3409; Also Known as the CARE-MS Extension Study*, funded by Genzyme
 - *A 12-Month, Randomized, Rater- and Dose-Blinded Study to Compare the Efficacy and Safety of Fingolimod 0.25 mg and 0.5 mg Administered Orally Once Daily with Glatiramer Acetate 20 mg Administered Subcutaneously Once Daily in Patients with Relapsing*, funded by Novartis Pharmaceuticals Corporation
 - *A Multinational Multicenter, Randomized, Double-Blind, Parallel-Group, Placebo-Controlled Study Followed by an Active Treatment Period, to Evaluate the Efficacy, Safety and Tolerability of Two Doses of Oral Administratoin of Laquinimod in Subjects with*, funded by Teva Pharmaceutical Industries Limited
 - *A Multinational, Multicenter, Open-Label, Single-Assignment Extension of the MS-LAQ-301 (ALLEGRO) Study, to Evaluate the Long-Term Safety, Tolerability and Effect on Disease Course of Daily Oral Laquinimod 0.6 mg in Subjects with Relapsing Multiple Scler*, funded by Teva Neuroscience Inc.

Katherine Poehling, MD, MPH, Department of Pediatrics:

- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Associate Editor for Academic Pediatrics.
- Principal Investigator on Projects Funded in FY2013-2014
 - *The Movement of influenza Virus in Human Population*, funded by the National Institute of Allergy and Infectious Diseases
 - *A Case Control Study of the Effectiveness of Q/LAIV Versus Inactivated Influenza Vaccine and No Vaccine in Subjects 2-17 Years of Age*, funded by MedImmune, Inc.

Leslie Poole, PhD, Department of Biochemistry:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Structural and Computational Biophysics Training Program*, funded by the National Institutes of Health

Mercedes Porosnicu, MD, Department of Internal Medicine, Section on Hematology & Oncology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *A Randomized, Double-Blind, Phase 2 Safety Study of Cetuximab, Using ImClone Versus Boehringer Ingelheim Manufacturing Processes, in Combination with Cisplatin or Carboplatin and 5-Fluorouracil in the First-Line Treatment of Patients with Locoregionally*, funded by Lilly USA, LLC
 - *Pilot Study to Evaluate the Anti-Tumor Effect of Erlotin*, funded by OSI Pharmaceuticals, Inc.

Sarah Quandt, PhD, Division of Public Health Sciences, Department of Epidemiology & Prevention:

- Elected or Appointed to a National Board
 - Chair, External Scientific Advisory Board, NIDCR Centers to Reduce Disparities in Oral Health, Combined ESAC for University of California San Francisco, University of Colorado Denver, and Boston University
- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Associate Editor, BMC Complementary and Alternative Medicine
 - Journal of Applied Gerontology
 - American Journal of Industrial Medicine
 - American Journal of Health Behavior
 - Journal of Nutrition in Gerontology and Geriatrics
- Elected to a Professional Society Officer Position
 - International Association for Dental Research: Sec/Treas of Nutritional Research Section
- Elected or Appointed to a Community Advisory Board
 - Board of Directors, El Buen Pastor Latino Community Services
 - Board of Directors, Sustainable+Ardmore
 - Advisory Board, Forsyth Community Food Consortium
- Principal Investigator on Projects Funded in FY2013-2014
 - *Occupational Injuries Among Immigrant Poultry Workers: Development and Progression*, funded by the National Institute for Occupational Safety and Health
 - *Dietary and Physical Activity Patterns of Latino Farmworker Children (R01)*, funded by the National Institute of Child Health and Human Development
 - *Rural Older Adults: Oral Health, Diet & Quality of Life (R01)*, funded by the National Institute of Dental and Craniofacial Research
- Other Noteworthy Accomplishment
 - Appointed Visiting Professor, Division of Environmental Health, School of Public Health and Family Medicine, University of Cape Town, Cape Town, South Africa

Beth Reboussin, PhD, Division of Public Health Sciences, Department of Biostatistical Sciences:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Progression and Clustering of Marijuana Use in African American Neighborhoods*, funded by the National Institutes of Health

Maria Sam, MD, Department of Neurology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Maternal Outcomes and Neurodevelopmental Effects of Antiepileptics*, funded by a subcontract with Emory University
 - *Double-Blind, Randomized, Historical Control Study of the Safety and Efficacy of Eslicarbazepine Acetate Monotherapy in Subjects with Partial Epilepsy Unresponsive UCB Biosciences Inc*

Katherine Schafer, MD, Department of Internal Medicine, Section on Infectious Diseases

- Elected or Appointed to a Community Advisory Board
 - North Carolina HIV Prevention and Care Advisory Committee
- Other Noteworthy Accomplishments
 - Co-Organizer for International AIDS Society affiliated event on Rural HIV
 - Tinsley R. Harrison Award Nominee

Mary Shea, PhD, Department of Internal Medicine, Section on Gerontology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Identifying Vitamin K Dependent Pathways in Osteoarthritis Progression*, funded by the National Institute on Aging

Carol Shively, PhD, Department of Pathology, Section on Comparative Medicine:

- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Journal of Neurocardiovascular Disease
 - Journal of Translational Internal Medicine
 - Neurobiology of Stress
- Principal Investigator on Projects Funded in FY2013-2014
 - *Dietary Mitigation of Psychosocial Stress Effects on CVD Risk in Female Primates*, funded by the National Institutes of Health
- Principal Investigator on Projects Funded in FY2014-2015
 - *Transcriptional and Epigenetic Profiling of Circulating Monocytes and T Cells in a Non-Human Primate Model*, funded by the Pathology Department Pilot Grant

Sally Shumaker, PhD, Division of Public Health Sciences, Department of Social Sciences & Health Policy:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Testosterone Cognitive Testing Coordinating Center*, funded by a subcontract with the University of Pennsylvania
 - *Women's Health Initiative Extension 2010-2015*, funded by the National Heart, Lung and Blood Institute
 - *Women's Health Initiative Memory Study (WHIMS) Extension 2010-2015*, funded by the National Institute on Aging
 - *FOURIER Cognition Start-Up*, funded by Amgen, Inc.

Kaycee Sink, MD, MAS, Department of Internal Medicine, Section on Gerontology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Alzheimer's Disease Neuroimaging Initiative 2 (ADNI 2)*, funded by a subcontract with the University of California – San Diego
 - *Multi-Center Trial to Evaluate Home-Based Assessment Methods for Alzheimer's Disease Prevention Research in People Over 75 Years old*, funded by UC Regents
 - *NAV4-02: A Phase 3 Clinical Trial to Evaluate the Efficacy and Safety of [¹⁸F]NAV4694 PET for Detection of Cerebral B-Amyloid When Compared With Postmortem Histopathology*, funded by Navidea Biopharmaceuticals, Inc.
 - *A Phase 2 Multi-Center, Randomized, Double Blind, Placebo-Controlled, Parallel Group Study to Evaluate the Efficacy and Safety of T-817MA in Patients with Mild to Moderate Alzheimer's Disease (US202)*, funded by Toyama Chemical Co., Ltd.

Mary Sorci-Thomas, PhD, Department of Pathology, Comparative Medicine:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Recombinant HDL Production & S1P Analyses*, funded by the Department Veterans Affairs
 - *VEGF-C/VEGFR3 and Lymphatic Transport of Cholesterol from Atherosclerotic Plaque*, funded by the National Institute of Diabetes and Digestive and Kidney Diseases
 - *T Regulatory Lymphocytes, HDL Function, and Atherosclerosis*, funded by the La Jolla Institute for Allergy and Immunology
 - *Biophysics of HDL Dysfunction*, funded by a subcontract with the Medical College of Wisconsin

Erin Sutfin, PhD, Division of Public Health Sciences, Department of Social Sciences & Health Policy:

- Principal Investigator on Projects Funded in FY2013-2014
 - *I Effective Risk Communication on New and Emerging Tobacco Products*, funded by a subcontract with the University of N Carolina-Chapel Hill

E. Ann Tallant, PhD, Hypertension & Vascular Research Center:

- Elected to a Professional Society Officer Position
 - Vice-Chairperson, Membership and Communications Committee, American Heart Association, Council for High Blood Pressure Research
 - Webmaster, Leadership Committee, American Heart Association, Council for High Blood Pressure
 - Research Committee, American Heart Association
 - Mentor, Training Committee, American Heart Association, Council for High Blood Pressure
 - Liaison, Research Committee, American Heart Association, MidAtlantic Affiliate
- Served on a National Panel or Taskforce:
 - Writing Group on Peer Review, American Heart Association
 - Abstract Grader, American Heart Association, Council for High Blood Pressure Research
 - Review Panel – K01 and R25 RFAs to Promote Faculty and Trainee Diversity, National Heart, Lung & Blood Institute
- Principal Investigator on Projects Funded in FY2013-2014
 - *Inhibition of Metastatic Breast Cancer by Angiotensin-(1-7)*, funded by the Susan G. Komen Breast Cancer Foundation
 - *Excellence in Cardiovascular Sciences Summer Research*, funded by the Department of Health & Human Services
 - *Short-term Research Training for Minority Students*, funded by the National Heart, Lung and Blood Institute
- Other Noteworthy Accomplishment
 - Invited book chapter “Angiotensin-(1-7) and Cancer”– *Protective Arm of the “Renin Angiotensin System”*, 2014

Janet Tooze, PhD, Division of Public Health Sciences, Department of Biostatistical Sciences

- Principal Investigator on Projects Funded in FY2013-2014
 - *SEARCH Nutrition Ancillary Study 2 (SNAS2)*, funded by the National Institute of Diabetes and Digestion

Kristi Tucker, MD, Department of Neurology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Clot Lysis Evaluating Accelerated Resolution of IVH Phase III (Clear III)*, funded by a subcontract with Johns Hopkins University

Jamie Ungerleider, MA, MSW, PhD, Department of Psychiatry & Behavioral Medicine:

- Elected or Appointed to a National Board
 - Elected to the Satir Global board

Vidula Vachharajani, MD, Department of Anesthesiology:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Bioenergetic and Epigenetic Reprogramming by Obesity in Sepsis*, funded by the National Institute of Health

Jasmina Varagic, MD, PhD, Hypertension & Vascular Research Center:

- Served on a Study Section
 - Cardiac Biology Study Section, American Heart Association
- Elected to a Professional Society Officer Position
 - Executive Committee, Inter-American Society of Hypertension
 - Member of the Advocacy Committee, Cardiovascular Section, American Physiological Society
- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Therapeutic Advances in Cardiovascular Disease, Cardiorenal Medicine
 - Journal of Hypertension
- Principal Investigator on Projects Funded in FY2014-2015
 - *Vaso-Hormonal Mechanisms in Hypertension; Core B-Physiology and Animal Resources Core*, funded by the National Heart, Lung & Blood Institute
 - *Novel renin angiotensin system pathways and estrogen receptor GPR30 in diabetic cardiac injury*, funded by the American Heart Association
 - *Curcumin in diabetic cardiac injury: the role of novel RAS pathways*, funded by the American Dental Association
 - *Novel RAS Pathways in Curcumin Cardioprotection*, funded by the National Institute of Health

Mara Vitolins, DrPH, Division of Public Health Sciences, Department of Epidemiology & Prevention:

- Received a National, Local or Civic Award
 - Academy of Nutrition and Dietetics-Oncology Dietetic Practice Group: Distinguished Practice Award
- Elected to a Professional Society Officer Position
 - Co-Chair, Forsyth County Unified Health Message Committee
- Principal Investigator on Projects Funded in FY2013-2014
 - *HELP PD – Phase 3*, funded by the National Institute of Diabetes and Digestive and Kidney Diseases
 - *Enhancing ARIC Infrastructure to Yield a New Cancer Epidemiology Cohort*, funded by a subcontract with Johns Hopkins University
 - *ALMASED Multicenter Diabetes Intervention Trial*, funded by the University of Freiburg, Germany
- Other Noteworthy Accomplishments
 - Fellow- Academy of Nutrition and Dietetics

Mary Lou Voytko, PhD, Department of Neurobiology & Anatomy; Office of Women in Medicine and Science:

- Principal Investigator on Projects Funded in FY2013-2014
 - *The Effect of Caloric Restriction on Brain Aging*, funded by the National Institutes on Aging

Lynne Wagenknecht, DrPH, Division of Public Health Sciences:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Atherosclerosis Risk in Communities (ARIC) Study- Field Centers*, funded by a subcontract with Johns Hopkins University
 - *Identify Epidemiological Risk Factors for Abdominal Aortic Aneurysm*, funded by a subcontract with the University of Minnesota
 - *Intracranial Atherosclerosis (ICAs) and Cognitive Impairment Association Study*, funded by a subcontract with Johns Hopkins University
 - *The Race-Specific Prevalence of Atrial Fibrillation Measured by 48-Hour Holter*, funded by a subcontract with University of North Carolina-Chapel Hill

Kathryn Weaver, PhD, MPH, Division of Public Health Sciences, Department of Social Sciences & Health Policy:

- Principal Investigator on Projects Funded in FY2013-2014
 - *The National Coalition Network for Tobacco and Cancer-Free Living*, funded by Center for Disease Control & Prevention
 - *End of Treatment Transition to Follow-Up Care Among Early Stage Lung Cancer Survivors*, funded by the National Cancer Institute

Rebecca Wells, MD, MPH, Department of Neurology

- Elected to a Professional Society Officer Position
 - Re-elected Secretary (and Board Member) of the Southern Headache Society
 - Served the Planning Committee for the American Headache Society's annual Scottsdale Headache Symposium meeting.
- Principal Investigator on Projects Funded in FY2013-2014
 - *Understanding the Efficacy and Mechanisms of MBSR for adults with Migraines*, funded by the American Pain Society

Aimee Wilkin, MD, MPH, Department of Internal Medicine, Section on Infectious Diseases:

- Principal Investigator on Projects Funded in FY2013-2014
 - *An International, Multicenter, Prospective Observational Study of the Safety of Maraviroc Used With Optimized Background Therapy in Treatment-Experienced HIV-1 Infected Patients*, funded by Pfizer, Inc.
 - *Antiretroviral activity and tolerability of once daily etravirine in treatment-naïve adults with HIV-1 infection*, funded by the University of North Carolina
 - *A Multicenter, Randomized, Double-Blind, Double-Dummy, Phase 3 Study of the Safety and Efficacy of Ritonavir-Boosted Elvitegravir (EVG/r) Versus Raltegravir (RAL) Each Administered With a Background Regimen in HIV-1 Infected, Antiretroviral Treatment-Exp*, funded by Gilead Sciences, Inc.

Aimee Wilkin, MD, MPH, Department of Internal Medicine, Section on Infectious Diseases (cont.):

- *A Phase 3, Randomized, Double-Blind Study to Evaluate the Safety and Efficacy of Elvitegravir/Cobicistat/Emtricitabine/Tenofovir Alafenamide Versus Elvitegravir/Cobicistat/Emtricitabine/Tenofovir Disoproxil Fumarate in HIV-1 Positive, Antiretroviral Trea*, funded by PPD Development, LP
- *A Phase 3, Randomized, Double-Blind Study to Evaluate the Safety and Efficacy of Elvitegravir/Emtricitabine/Tenofovir Disoproxil Fumarate/GS-9350 Versus Efavirenz/Emtricitabine/Tenofovir Disoproxil Fumarate in HIV-1 Infected, Antiretroviral Treatment-Nai*, funded by Gilead Sciences, Inc.
- *A Phase 3, Randomized, Double-Blind Study to Evaluate the Safety and Efficacy of GS-9350-Boosted Atazanavir Versus Ritonavir-Boosted Atazanavir versus ritonavir-boosted atazanavir each administered with emtricitabine/tenofovir disoproxil fumarate in HIV-1 infected, treatment-naïve adults*, funded by Gilead
- *A Phase 3 Open-Label Study to Evaluate Switching from Optimized Stable Antiretroviral Regimens Containing Darunavir to Elvitegravir/Cobicistat/Emtricitabine/Tenofovir Alafenamide (E/C/F/TAF) Single Tablet Regimen (STR) plus Darunavir (DRV) in Treatment E*, funded by Gilead Sciences, Inc.
- *A Phase 3, Two-Part Study to Evaluate the Efficacy of Tenofovir Alafenamide Versus Placebo Added to a Failing Regimen Followed by Treatment with Elvitegravir/Cobicistat/Emtricitabine/Tenofovir Alafenamide in HIV-1 Positive, Antiretroviral Treatment-Exper*, funded by Gilead Sciences, Inc.
- *A randomized, Double-Blind Phase 3B Study to Evaluate the Safety and Efficacy of Elvitegravir/Cobicistat/Emtricitabine/Tenofovir Disoproxil Fumarate Versus Ritonavir-Boosted Atazanavir Plus Emtricitabine/Tenofovir Disoproxil Fumarate in HIV-1 Infected, A*, funded by PPD Development, LP
- *A Phase 3b Open-Label, Single Arm Study to Evaluate the Safety and Efficacy of Cobicistat-boosted Darunavir Plus Two Fully Active Nucleoside Reverse Transcriptase Inhibitors in HIV-1 Infected, Antiretroviral Treatment Naive and Experienced Adults*, funded by Gilead Sciences, Inc.
- *A Phase 3b Randomized, Open-Label Study to Evaluate Switching from Regimens Consisting of a Non-nucleoside Reverse Transcriptase Inhibitor (NNRTI) plus Emtricitabine (FTC) and Tenofovir DF (TDF) to the Elvitegravir/Cobicistat/Emtricitabine/*, funded by Gilead Sciences, Inc.
- *A Phase IIIb, Randomized, Open-Label Study of the Safety and Efficacy of Dolutegravir/Abacavir/Lamivudine Once Daily Compared to Atazanavir and Ritonavir Plus Tenofovir/Emtricitabine Once Daily in HIV-1 Infected Antiretroviral Therapy Naive Women*, funded by ViiV Healthcare
- *A Phase IIIb, Randomized, Open-Label Study of the Safety and Efficacy of GSK1349572 (Dolutegravir, DTG) 50 mg Once Daily Compared to Darunavir/Ritonavir (DRV/r) 800 mg/100 mg Once Daily Each Administered with Fixed-Dose Dual Nucleoside*, funded by GlaxiSmithKline
- *Dental Reimbursement Program*, funded by the Health Resources and Services Administration
- *Multicenter, Double-Blind, Randomized, 2-Part, Dose Ranging Study to Compare the Safety, and Antiretroviral Activity of MK-1439 Plus Truvada? Versus Efavirenz Plus Truvada? in Antiretroviral Treatment-Naive, HIV-1 Infected Patients*, funded by the Merck Sharp & Dohme Corp.
- *NC-LINK: Systems Linkage and Access to HIV Care in North Carolina*, funded by the North Carolina Department of Health and Human Services
- *Patient Navigator Project of the Care and Prevention in the United States (CAPUS) Grant*, funded by the NC Department of Health & Human Services
- *Ryan White Part B - HIV Patient Management Model Networks of Care*, funded by the North Carolina Department of Health and Human Services
- *Ryan White Part C HIV EIS Program*, funded by the National Institutes of Health
- *Ryan White Part D Coordinated HIV Services and Access to Research for Women, Children, and Youth*, , funded by the Health Resource and Services Administration
- *Safety, Tolerability, Pharmacokinetic, and metabolic features of raltegravir among African-American men and women with HIV infection*, funded by the University of North Carolina
- *Special Projects of National Significance: NC Link*, funded by the NC Department of Health & Human Services
- *Strategic Timing of AntiRetroviral Therapy (The START Study). INSIGHT Network Associate Site*, funded by the National Institutes of Health

Patricia Wilson, PhD, Wake Forest Institute for Regenerative Medicine

- Principal Investigator on Projects Funded in FY2013-2014
 - *Stem Cell Technologies for Regenerative Medicine*, funded by the Christopher L. Moseley Foundation

Stacey Quintero Wolfe, MD, FAANS, Neurosurgery and Interventional Radiology

- Elected or Appointed to a National Board
 - Elected to the Congress of Neurological Surgeons Joint Section of Women in Neurosurgery
 - Elected to the Congress of Neurological Surgeons Joint Section Guidelines Committee
 - Appointed to the Congress of Neurological Surgeons Executive Committee
 - Appointed as the Joint Section on Neurotrauma Liaison to the Washington Committee
- Elected to a Professional Society Officer Position
 - Elected Secretary of the American Association of Neurological Surgeons
- Elected or Appointed to a Peer-Reviewed Journal Editorial Board
 - Ad-hoc reviewer to the Journal of Neurosurgery
- Principal Investigator on Projects Funded in FY2014-2015
 - Intra-arterial Vasospasm Trial, A Multi-center Randomized Study

Liliya Yamaleyeva, MD, MS, Hypertension & Vascular Research Center:

- Principal Investigator on Projects Funded in FY2013-2014
 - *The Role Of ACE2 In Pregnancy*, funded by the American Heart Association
 - *The major goals of this project are to investigate interleukin-6 and ACE2 interactions in fetal growth restriction using ACE2 KO model*, funded by the American Heart Association, National Center, Scientist Development Grant

Zhu-Ming Zhang, MD, MPH, Division of Public Health Sciences, Department of Epidemiology & Prevention:

- Principal Investigator on Projects Funded in FY2013-2014
 - *Diabetes Prevention Program (DPP) Follow-Up Study*, funded by a subcontract with the George Washington University

Total for funded projects is: \$34,440,699.
