

# Carpenter Library News

In 2009, WFU and WFHS started building Habitat for Humanity houses together, offering their employees an opportunity to get involved in the community. Participants contribute time and hard work to build a new house for a family that is in need.

Our first team consisted of Julie James, Dianne Johnson, Helen Steelman, Janine Tillett, Sara Weatherman, and Joanna Huskey. The house was located in the 1400 Block of Cherry Street in Winston Salem. We did interior work, hanging kitchen and bathroom cabinets.

The second year we worked on a house near Kernersville. Our volunteers were Julie James, Kim McBride, Sara Weatherman and Joanna Huskey. We focused on the exterior of the house, sometimes at uncomfortable heights.

## Carpenter Library + Habitat for Humanity

Lara Sapp

On September 12<sup>th</sup>, 2011 we worked on a house on Trent Hill Drive. Our volunteers were Julie James, Carl Lombardi, Nate Nihart, Jenny Little, Lara Sapp, Laura Lee Spedding, and Joanna Huskey (our biggest group yet!) We worked outside, as well as inside - even though there wasn't much to the inside of the house except the framing.

We enjoyed our time with Habitat. People left with a sense of accomplishment and of helping a family.

# Nursing Publications Database

You can now search the Nursing Publications Database by name, keyword, department, or publication type to find articles or poster presentations produced by our nurses since 2004.

The Nursing Publications web page is located on the Carpenter Library's web site under "Research & Publishing". Information on how to submit publications can also be found here.

If you have questions or comments, please contact Beverly Booe at [bbooe@wakehealth.edu](mailto:bbooe@wakehealth.edu) or 716-4313.

## Nursing Publications Search

This is a database of items published while employed by WFBMC

**Author(s):**  ?  
**Keyword(s):**   
**Department:**  ▾  
**Publication Type:**  ▾  
**Publication Year(s):** 2004 ▾ To 2012 ▾

***Two ways to stay current  
with medical information!***

**STAT!Ref**  
**EvidenceAlerts**

**DynaMed**  *Weekly Update*  
Powered by EBSCOhost\*

- StatRef Evidence Alerts are gathered from over 130 clinical journals and rated for clinical relevance and newsworthiness by a panel of practicing physicians from McMaster University.
- DynaMed Weekly Updates are compilations of one to five articles "most likely to change practice" prepared by clinician members of the DynaMed Editorial Team.
- For help registering to receive these alerts by email, contact the library, [refdesk@wakehealth.edu](mailto:refdesk@wakehealth.edu) or 713-7100.

**ISSUE CONTRIBUTORS:** Joanna Huskey, Dianne Johnson, Alex Norwood, David Stewart, Janine Tillett

**LIBRARY HOURS:** Mon - Thurs, 7 am - 12 am / Fri, 7 am - 7 pm / Sat, 10 am - 7 pm / Sun, 1 pm - 12 am

**HOLIDAYS:** The library will be closed Thursday and Friday, November 24 and 25, for Thanksgiving. And we be closed 4 days for Christmas, December 24 through December 27.

## New Electronic Textbooks

- Fundamental Neuroscience
- Medical Interview: Mastering Skills for Clinical Practice
- Sparks & Taylor's Nursing Diagnosis Reference Manual
- Signal Transduction
- Color Atlas of Family Medicine
- Current Diagnosis and Treatment: Nephrology and Hypertension
- Behavioral Medicine: A Guide for Clinical Practice
- Pharmacology Primer
- Sherris' Medical Microbiology
- Anesthesiology
- MKSAP (Medical Knowledge Self-Assessment Program) for Students 4

# Class Yearbooks are Now Digital

The [yearbooks](#) of Wake Forest School of Medicine (formerly Bowman Gray School of Medicine) and North Carolina Baptist Hospital School of Nursing are now available electronically thanks to the [North Carolina Digital Heritage Center](#).

The Center's goal is to digitize "hidden" and statewide historical interest collections from institutions which do not have the staff or equipment to make them available on the Internet. The yearbook collection is one of several types of materials being digitized by staff and machines rented from the [Internet Archive](#). The Center, funded by a grant, is housed in the [Louis R. Wilson Special Collections Library](#) at UNC Chapel Hill.

Yearbooks that were digitized include:

- Gray and White Matter (Medical and Nursing schools combined): 1945-1969
- The Lamp (Nursing school): 1943, 1944
- White Matter (Nursing school): 1970-1974
- Gray Matter (Medical school): 1970-2011 current

To see the yearbooks and experience more history of Wake Forest Baptist Medical Center, come by the Archives between 8 am and 5 pm Monday through Friday.

# *Now Available*

The Red Book, developed by the American Academy of Pediatrics (AAP) Committee on Infectious Diseases, provides guidance on the manifestations, etiology, epidemiology, diagnosis, and treatment of more than 200 common childhood conditions. Special features for the electronic version include updates between print editions and breaking news related to pediatric infectious diseases or immunizations.

It is located in the Library's E-Books database and in our Catalog, Voyager.

## ***Zotero: Collecting, Managing and Citing Reference Resources***

This class is an introduction to reference management using Zotero, an open-source program. Zotero, a FREE plug-in for the Firefox web browser, allows you to collect and store references from online and print sources, add your own annotations and use your stored references to insert correct citations into a document. Zotero allows you to save web pages and articles located in Carpenter Library subscription databases such as PubMed, Web of Science and CINAHL. When you write a paper, you can utilize Zotero to integrate your references into the document in numerous citation styles. Additionally, Zotero enables you to share references when working on a collaborative project.
