

## **Withdrawal Process – MD Program**

Students who wish to withdraw from the School of Medicine must complete the appropriate form, which requires approval from either the Associate Dean for Academic Affairs or the Associate Dean for Student Affairs.

Students who withdraw from the program will have the grade of W (Withdraw) assigned for each course/rotation in progress.

A student who withdraws from the School of Medicine during a semester may be entitled to a refund of certain charges. A withdrawal also affects financial aid eligibility, and could require a return of federal financial aid funds. Please see the Refund and Return of Financial Aid Funds Policy for further details.

Students will be required to meet with the following offices to complete exit procedures:

- Office of Financial Aid
- Student Financials
- Academic Applications
- Library
- Office of Student Records

Any student who has withdrawn and wishes to be considered for readmission must apply and follow all the processes and procedures of the regular admissions process. Applicants will be considered as described in the Policy on the Selection of Medical Students.
