

# Maya Angelou Center for Health Equity

## A Designated Center of Excellence with the National Institute on Minority Health and Health Disparities

### Mission

- ▶ Conduct translational research to impact population health
- ▶ Develop sustainable and mutually beneficial community partnerships
- ▶ Deliver educational initiatives to diversify clinical, biomedical and public health workforce

**Research Program** – Research experiences for students in medical, graduate and physician assistant programs focused on health disparities.

**Community Outreach Program** – Communicaty programs throughout the year available for participation by students

**Student and Faculty Development** – Social/networking opportunities for students to interact with underrepresented physicians and researchers in the Medical Center, in the community and among our alumni base.

Dr. Ronny A. Bell, Director

*“Evidence to  
Action to Achieve  
Health Equity”*
