2016 CHECKLIST FOR HIGH SCHOOL SUMMER RESEARCH EXPOSURE PROGRAM

DUE DATE: April 4th, 2016

Following instructions closely is an important step towards a successful application. This list is to ensure that you have no confusion about what you need to do to complete your application and make certain that all forms are completed and turned in on time.

Check each of the following off as you complete them. **Do NOT wait until the last minute to complete these forms. Deadline extensions are not permitted.** Good luck!

☐ Locate and complete the on-line application form posted on the WFIRM website and read through additional forms with a parent. Discuss summer plans and whether you will be able to participate from July 11th to August 5, 2016.

☐ Ask two of your current teachers to fill out a recommendation form for you. Be sure to give each teacher at least three days to complete the form and ask each to put the form in a signed and sealed envelope. Unsealed & unsigned envelopes will not be accepted and will be considered incomplete. Place the recommendations and additional forms in a packet to be mailed to Joan Schanck, Director of the High School Summer Research Exposure Program at the Wake Forest Institute for Regenerative Medicine. **Note:** Please have teachers return forms directly to YOU. Do not have them mail them to us. You will need to mail their forms to us as described below.

☐ Complete packets must contain the following forms:
  - Signed Agreement and Parental Consent
  - 2 Teacher Recommendations

☐ Place all forms in a large envelope and mail to:

Joan F. Schanck, MPA, Director, High School Summer Research Exposure Program  
Wake Forest Institute for Regenerative Medicine  
Wake Forest University Health Sciences  
Medical Center Boulevard  
Winston-Salem, NC 27157-7290  
Phone: 336-713-1201

If you are selected to participate in the 2016 SREP at WFIRM you will be responsible for providing immunization records and documentation of a TB skin test by May 31st, 2016.
2016 AGREEMENT AND PARENTAL CONSENT

High School Summer Research Exposure Program Applicant Agreement and Signature

By submitting this application, I affirm that the facts set forth in it are true and complete. I understand that if I am accepted, any false statements, omissions, or other misrepresentations made by me on this application may result in my immediate dismissal.

Student Name (printed): __________________________________________

Signature: __________________________________________  Date: ________________

Parental Consent

I understand that participation in the SREP program at WFIRM is entirely voluntary and that it requires that all students be covered by appropriate accident and medical insurance and that the student/parents be financially responsible for such expenses. My signature below verifies that I am covered by the required insurance.

I, ____________________________________, have read and understand all of the above provisions and application information, and consent my child, ____________________________, to apply and to be considered for the 2016 Summer Research Exposure Program at the Wake Forest Institute for Regenerative Medicine.

Parent/Guardian Name (printed): _______________________________________

Signature: __________________________________________  Date: ________________
2016 TEACHER RECOMMENDATION FORM

High School Summer Research Exposure Program Applicant Information

Student Name (printed): ____________________________________________

Current Grade Level: __________ School: __________________________________

Teacher Information

Teacher Name (printed): ____________________________________________

Subject: __________________________________________________________

Phone Number: ______________________ E-Mail Address: _____________________

TO THE HIGH SCHOOL STUDENT APPLICANT: Fill out the applicant information section above and take it to two teachers at your school whom you have asked to recommend you for our program. Please allow your teachers at least three days to complete the recommendation form. You will return the recommendations and required consent forms in a packet to be mailed to Joan F. Schanck, MPA, Director of the High School Summer Research Exposure Program, Wake Forest Institute for Regenerative Medicine, Wake Forest University Health Sciences, Medical Center Boulevard, Winston-Salem, NC 27157-7290.

TO THE TEACHER: Please answer the following questions about the student named above. This student is applying to the High School Summer Research Program at the Wake Forest Institute for Regenerative Medicine (WFIRM). WFIRM is a very sensitive environment that requires a great deal of maturity and the ability to adapt to new situations and work across diverse teams. We would appreciate your insight about the student’s responsibility, dependability and maturity. In addition, we are interested in comments that would help us learn more about the student and which also address the student’s interest and performance in STEM disciplines.

Please make sure to place this form in a sealed envelope and place your signature across the seal. Please make sure to return this form to the applicant in time for it to be returned to us by April 4th, 2016.

On a scale from 1 to 5, rate the applicant on the following items.

1 = Strongly Disagree; 2 = Disagree; 3 = Unknown; 4 = Agree; 5 = Strongly Agree

<table>
<thead>
<tr>
<th>Description</th>
<th>1</th>
