Student Financials Information

Each student is assigned a student account that is used to record tuition, parking, bookstore, insurance and vaccine charges. We also record financial aid loans, scholarships and student payments. Each month an email with a link to the student center will be sent to all students. If you have a balance, payment for each month’s activity should be received by the Cashier’s Office on or before the due date found on-line. Tuition is payable in equal installments and is due in June and January. Payment may be made in Financial Services (located 6th floor, Piedmont Plaza 1) or by using the online e-check option. If payment is not received within 30 days, Wake Forest School of Medicine reserves the right to charge interest at the prevailing bank rates.
