The Carpenter Library is sponsoring a series of informal, monthly lunch time presentations for all staff, faculty and students on a variety of topics related to work, technology, health and much more. The 2010 Fall presentation schedule is listed below.

**Finding Health Information on the Web**

Wednesday, September 15 from Noon - 1pm  
Location: Action Health, Conference Room  
Consumers now have access to medical information like never before. The Internet does provide quality health information, but NOT all sources are reliable or easy to use. Please plan to attend this presentation if you are interested in discovering the “health gems” on the Internet.

**Technology Showcase: Going Mobile for Work and Fun**

Wednesday, October 13 from Noon - 1pm  
Location: Watlington Hall, near staircase at Hawthorne Road entrance (G Floor)  
Come by to gain knowledge and hands-on experience with these mobile technologies: iPad, Kindle, Sony Reader, Droid X, and other useful gadgets. Watch demos, ask questions, exchange ideas, and try them out!

**Tools for Scientific & Medical Researchers**

Wednesday, November 10 from Noon - 1pm  
Location: E-1, Hanes Building  
Part 1: Managing Publications with MyBibliography  
Learn how to create a MyNCBI account in PubMed and MyBibliography to manage your personal and NIH funded research publications.  
Part 2: Measuring the Scientific Impact of Journals & Authors  
This presentation will provide information about impact factors and the h-index, including why they are used and where & how they are calculated.  
Information from these sessions will be useful to researchers, grant administrators, administrative assistants and others.

Please feel free to bring your lunch!
